Senate Bill 1747, 83rd Legislature, Regular Session, 2013, added new Transportation Code Chapter 256, Subchapter C, Sections 256.101 through 256.106 establishing a transportation infrastructure fund (TIF) and directs TXDOT to administer a grant program from the fund to counties for transportation projects located within the state in areas affected by increased oil and gas production. In order to participate in the grant program SB1747 requires a county to establish a county energy transportation reinvestment zone (CETRZ) and an advisory board under the new code section 222.1071. The CETRZ may assess a tax increment on taxable property within the zone and deposit the taxes collected into a tax increment account. Revenue derived from the CETRZ may only be used for the purpose of matching funds for grants from the TIF; for one or more transportation projects within the zone; or allowable administrative costs subject to limitations provided by Transportation Code Section 222.1071.
