WELCOME

Welcome to DeWitt County!

We are excited to have you as an employee of DeWitt County. You were hired because the elected official, appointed official or department head believes you can contribute to the success of DeWitt County, and share our commitment to service the public and our constituents with excellence.

DeWitt County is committed to providing excellent service to the public in all of our County offices. As part of the team, we hope you will discover that the pursuit of excellence is a rewarding aspect of your career here.

This employee personnel policy contains benefits, and expectations of DeWitt County, and other information you will need. Each elected/appointed official or department head may have a detailed interdepartmental policy for their office.

Your job is essential to fulfilling our mission of serving our County constituents every day and to meet or exceed their expectations. We achieve this through dedicated hard work and commitment from every DeWitt County employee. You should use this policy as a ready reference as you pursue your career with DeWitt County. Please consult with your elected official, appointed official or department head regarding questions you may have concerning this policy.

As a County employee, you have a responsibility to the citizens of DeWitt County. How well you do your work and how you conduct yourself on the job are both subject to public approval. Oftentimes, your contacts with citizens will be the only basis on which the County government is judged; therefore, you owe it to both the County and yourself to serve the public in the best possible manner. The County has proven to be a good place to work, but it is up to each individual employee to maintain their position as a result of good performance, proper attitude and responsible action in the use of tax dollars.

The policy is a guideline on how we work as a team to provide that public service. Whether you are a new or experienced employee, this policy will give you facts about the County, how it works and governs us as employees.

The personnel policies and procedures of the County are adopted by the Commissioners' Court, are subject to regular review, and may be updated or changed from time to time without prior notice.

Sincerely,

DeWitt County Commissioners' Court

ABOUT DeWITT COUNTY

DeWitt County's government organization is established by the Constitution of the State of Texas and by state statutes. Its operations are governed by state and federal law and by actions of the Commissioners' Court.

THE COMMISSIONERS' COURT

The DeWitt County Commissioners' Court is the one body with powers and duties that allow it to affect all areas of County operation. It is comprised of five elected officials; the County Judge who represents the entire County, and four commissioners who each represent a different geographical area – a precinct.

As a group, the Commissioners' Court is the chief policy or legislative branch of County government and the chief administrative or executive branch. Among their functions, the Court:

- Sets the tax rate
- Adopts the annual budget
- Adopts regulations and policies
- Approves and manages County facilities
- Has final authority over all County matters

The Court meets on the second and fourth Monday of each month at 9:00 a.m. unless otherwise scheduled special sessions or work sessions are called as needed.

ELECTED OFFICIALS

Elected Officials are directly responsible to the voters for carrying out powers and duties assigned to their offices by State Law. While the Commissioners' Court may influence the functions through the budget, the Elected Officials have administrative power over their departments.

APPOINTED OFFICIALS & DEPARTMENT HEADS

State Law also prescribes some offices whose directors are appointed by an Elected Official. It also allows the Commissioners' Court to create some departments and approve personnel to run them. The Auditor, who is appointed by the District Judges, is an example of a State mandated appointed official.

SERVICE TO THE PUBLIC

On a day-to-day basis, citizens base their opinions on DeWitt County on the actions of County employees. We have developed a code of conduct we think will help maintain a reputation for outstanding County government.

INTRODUCTION

PURPOSE

The purpose of this policy is to provide uniform personnel guidelines for all employees of DeWitt County. It is hoped that these guidelines will promote a high degree of understanding, cooperation, and unity between the officials/department heads of this County and its personnel. Any elected/appointed official or department head, who has a written office policy, shall file the policy with County Treasurer's Office. These specific policies may not supersede, violate or contradict the general personnel policies of DeWitt County.

As such, this policy is designed to:

- Create and maintain a modern and comprehensive system of personnel administration;
- Increase efficiency and economy in the service of this County;
- Establish a system of fairness and equality for the employee and taxpayer alike; and
- Encourage higher morale among County Personnel by providing good working relationships and opportunities for advancement and consideration.

APPLICABILITY

This policy is designed to apply to all employees and public officials in the service of DeWitt County, also referred to as the "County", and shall not apply to those individuals or areas of the job which are regulated by Statute.

The County Commissioner's Court is the source of authority concerned with setting personnel objectives and issuing policy statements. The elected/appointed officials or department heads will be responsible for the implementation of the Policy and for the development of detailed procedures consistent with its intent.

DeWitt County reserves the right to change the provisions of this policy at any time, with or without prior notice. The policy is a general guide and the provisions do not constitute an employment contract. Elected/appointed official or department head will be notified of any changes. The most up to date policy will always be posted on www.co.dewitt.tx.us.

SEVERABILITY

The provisions of this policy are severable, and if any provision or part of a provision is held invalid, illegal or unenforceable, this will not affect the validity of the remaining provisions or parts of provisions, which will remain in force and effect.

SECTION A: COUNTY EMPLOYMENT

GENERAL RULES AND REGULATIONS

As a general guide, this policy suggests a number of standards of conduct for all DeWitt County employees. Most are standard procedures for any well managed place of employment. Each department may have its own set of rules and guidelines, and if so, the elected/appointed official or department head will explain them and may provide an interdepartmental policy. Any elected/appointed officials or department heads who have a written office policy, shall file the policy with the County Treasurer's Office. These specific policies may not supersede, violate or contradict the general personnel policies of the DeWitt County Personnel Policy.

County employees should observe the following:

1. An employee's appearance and conduct reflects upon all DeWitt County officials and employees, and should be as outstanding as possible.
2. When dealing with the public in person or by telephone, courtesy is a necessity. If the answer to a question is unknown, try to find out or direct the person to the proper place.
3. Information concerning County business should be held in confidence. Most County records are available to the public through established procedures.
4. County equipment shall be used only for County business. Personal telephone calls shall be kept to a minimum.
5. All trips made for County business shall be reimbursed as per policy set by the Commissioners' Court. No reimbursement will be made for entertainment, personal telephone calls, liquor, laundry or similar expenses.

The privileges, duties and responsibilities as a DeWitt County employee are, of course, much more numerous than those briefly outlined in this policy. Questions about an employee's job should be addressed to their elected/appointed official or department head.

Always remember that DeWitt County employees are public servants. Courtesy and consideration are the right of the citizens employees serve. Our main objective is to serve the citizens of DeWitt County and all of us must work together to accomplish this goal.

EMPLOYMENT AT-WILL

All employment with DeWitt County shall be considered "at-will" employment. No contract of employment shall exist between any individual and DeWitt County for any duration, either specified or unspecified. No provision of the DeWitt County Personnel Policy shall be construed as modifying an employee's at-will status.

DeWitt County shall have the right to terminate the employment of any employee for any legal reason, or no reason, at any time either with or without notice.

DeWitt County shall also have the right to change any condition, benefit, policy, or privilege of employment at any time, with or without prior notice. Employees of DeWitt County shall have the right to leave their employment with the County at any time, with or without prior notice.

EQUAL EMPLOYMENT OPPORTUNITY

DeWitt County is an equal opportunity employer. The County will not discriminate on the basis of race, color, religion, national origin, sex (including pregnancy, gender identity, and sexual orientation), age, genetic information, veteran status, and disability, or any other condition or status protected by law in hiring, promotion, demotion, raises, termination, training, discipline, use of employee facilities or programs, or any other benefit, condition, or privilege of employment except where required by state or federal law or where a bona fide occupational qualification exists. If an employee needs an accommodation as a result of a condition or status protected by law, please advise the elected/appointed official or department head and the County Treasurer.

AMERICANS WITH DISABILITIES

It is DeWitt County's policy to reasonably accommodate qualified individuals with disabilities unless the accommodation would impose an undue hardship on the County. In accordance with the Americans with Disabilities Act, as amended (ADAAA), reasonable accommodations may be provided to qualified individuals with disabilities when such accommodations are necessary to enable them to perform the essential functions of their jobs, or to enjoy the equal benefits and privileges of employment. This policy applies to all applicants for employment, and all employees. If an employee requires accommodation, please contact the elected/appointed official or department head. Reasonable accommodation shall be determined through an interactive process of consultation.

It is the policy of DeWitt County to prohibit any harassment of, or discriminatory treatment of employees on the basis of a disability or because an employee has requested a reasonable accommodation. If an employee feels he or she has been subject to such treatment, or has witnessed such treatment, the situation should be reported to the elected/appointed official or department head or the County Attorney. All elected/appointed officials or department heads and employees with responsibilities requiring knowledge are instructed to treat the employee's disability with confidentiality.

All applications received will be retained in the Treasurer's Office, and a copy will be sent to the appropriate hiring office(s). If an application is sent directly to a department within the County, the department shall retain a copy for their own records, if needed, and turn in the original to the Treasurer's office for retention purposes, if applicable.

An applicant may be subject to background investigation and review of their driving record. Some departments in DeWitt County conduct extensive pre-employment background investigations due to the nature of their jobs. The individual shall not begin employment until successful background investigation, driving record and drug test results have been received.

SELECTION

Each elected/appointed official or department head, shall be responsible for selecting the applicant who they feel best meets the qualifications for an open position in their department. It is the responsibility of the employing department to make appropriate checks to verify education, criminal history, experience, character and required certificates and skills of an applicant prior to employment.

Each elected/appointed official or department head is responsible for staffing their own department as allowed by the current County Budget and Salary Order. The Budget and Salary Order are adopted annually by the Commissioners' Court and are effective for one fiscal year.

Annually the Commissioners' Court, under statutory budgetary procedures, decides the number and compensation of all positions allowed for each department and establishes them in the Salary Order.

No department will be allowed positions in excess of those approved by Commissioners' Court nor may the compensation of any position be changed without Court approval.

The Treasurer's Office shall be notified by the elected/appointed official or department head, of the applicant they would like to hire within 3 days of the proposed start date. The Treasurer's Office will then conduct a background investigation, request a driving record, and drug test, if applicable. After the results are received, the Treasurer's Office will notify the elected/appointed official or department head, of the results and confirm the date and time for the new employee orientation. Orientations must be scheduled with the Treasurer's Office. Orientation must be completed before the new employee can perform any work.

The Treasurer's Office must be e-mailed at HR@dwcotx.org, by the elected/appointed official or department head, containing the following information:

Once the Treasurer's Office receives the e-mail, the elected/appointed official or department head, will be contacted to schedule orientation for their new employee. All offers of employment are contingent upon successful completion of a background investigation, driving record and drug test, if applicable.

DISQUALIFICATION

Reasons for which an applicant may be disqualified for consideration for employment include, but not limited to, the following:

- The applicant does not meet the minimum qualifications necessary to perform the duties of the position for which they are applying;
- The applicant has made a false statement on the application form or any other document related to or which has a bearing on the selection process;
- The applicant has committed or attempted to commit a fraudulent act at any stage of the application process; or
- The applicant is not legally permitted to hold the position.
- The applicant does not successfully complete the background check, driving record check or the drug test.

(Amended by Commissioners' Court 11/14/2022)

JOB DESCRIPTIONS

Job descriptions are written by the elected/appointed official or department head for each employee in their department.

The job description for each employee's position will be:

1. Given to the employee;
2. Reviewed by the employee;
3. Signed by the employee and elected/appointed official or department head; and
4. Placed in the employee's personnel file with a signed certification statement that the employee has reviewed it.
5. Each employee is given a copy of the job description to keep.

FORMER EMPLOYEES

All separated employees must have a bona fide separation of employment. A bona fide separation means there is no prior arrangement or agreement of understanding between DeWitt County and the separated employee that the employee would be rehired.

An employee must be separated for 1 full calendar month, from the date of separation, before being rehired by any department in the County. (See *Admin Code, Sec. 107.4*)

If a former employee of DeWitt County is rehired, they will be treated the same as a new hire in regards to leave accruals and years of service.

A rehired retiree who meets all other TCDRS requirements, and is rehired consistent with this policy, must establish a new membership with TCDRS.

Rehired retirees who did not have a bona fide separation of employment may owe a 10 percent excise tax and be required to repay all of their monthly retirement payments. Abusing the retirement provisions in such a manner would violate a qualification requirement for retirement plans under Section 401 (a) of the Internal Revenue Code, potentially resulting in significant tax consequences for the employer, its participating members and those retired employees.

(Amended by Commissioners' Court 11/14/2022)

TRAINING

Before an individual begins performing their actual duties, they normally will be given a brief orientation conducted by the elected/appointed official, department head or supervisor for whom they will be working. The purpose of the session is to enable a new employee to understand their job better and its relationship to the overall operation of County government. Training an employee is the responsibility of the elected/appointed official or department head for whom they work. Whenever possible, employees may receive on-the-job training under close supervision.

In addition, elected/appointed officials or department heads are responsible for scheduling employees to attend job-related seminars and workshops when an employee's attendance would benefit the County.

ATTENDANCE

DeWitt County employees are expected to be punctual and demonstrate consistent attendance. Each employee shall report to work at the starting time set by their elected/appointed official or department head. Prior approval for absence may be given by the employee's supervisor if the employee is unable to report for work due to circumstances beyond the control of the employee.

If an employee is unable to be at work at their normal reporting time, they shall be responsible for notifying their supervisor at least 30 minutes prior to the scheduled start of their shift or as soon as it is reasonably practicable in the case of an emergency.

Each employee shall remain on the job until the normal quitting time, established by the elected/appointed official or department head, unless permission to leave early is given. Each supervisor shall be responsible for determining if an unscheduled absence or tardiness is to be classified as excused or unexcused, based on the circumstances causing the absence or tardiness. Frequent unexcused absences or tardiness shall make an employee subject to disciplinary measures, up to and including termination of employment.

PERSONNEL FILES

The Treasurer's Office will retain basic employee information in an individual personnel file. This file will include all pertinent employment documents such as resume, application, job description, acknowledgements, certificates, as well as, records concerning performance, discipline and compensation.

Information in an employee's personnel file is public information and must be disclosed upon request unless specific items are exempt from disclosure by law.

PERSONAL APPEARANCE AND DRESS CODE

Appearance is often viewed as a direct reflection of the level of professionalism of the workplace. All employees contribute personally to the image of DeWitt County by their individual attire and grooming. Each DeWitt County employee is expected to follow these basic minimum guidelines:

- Maintain an appropriate appearance that is businesslike, neat and clean as determined by the requirements of the area in which the employee works.
- Clothing should be in good repair and fit appropriately.
- Sweatshirts, t-shirts, sport shoes, flip flops and like attire may not be considered appropriate in some environments.
- Employees whose jobs require that they wear a uniform are expected to keep their uniforms in good repair and laundered.

The personal appearance and dress code for County employees shall be set forth in the interdepartmental policy determined by the elected/ appointed official or department head. If sent home, the time taken to change may be deducted from their PTO balance.

UNIFORMS

The purpose of this policy is to govern the taxable/non-taxable treatment of the costs associated with the purchase and upkeep of work clothing and uniforms worn by DeWitt County employees.

The DeWitt County Commissioners' Court realizes that each individual department has specific circumstances and needs for its employees and therefore this policy serves as the basis for each individual department's policy.

Each individual department that purchases any type of clothing for its employees should have a policy pertaining to work clothing and uniforms. Likewise, each individual department's policy should be in keeping with the Internal Revenue Service regulations. In the absence of a departmental policy, this policy shall govern.

Each individual department's policy should be submitted to the Treasurer's Office. Pursuant to the Internal Revenue Service regulations, the value of work clothing provided by the employer is not taxable to the employee if:

- The employee must wear the clothing as a condition of employment, and
- The clothes are not suitable for everyday wear or are not worn or adaptable to general usage as ordinary clothing.

It is not enough that the employee wear distinctive clothing; the employer must specifically require the clothing as a working condition. Nor is it enough that the employee does not, in fact, wear the work clothes away from work. The clothing must not be suitable for taking the place of an employee's regular clothing. If the clothing qualifies as excludable, then the cleaning costs are also excludable from taxation. If the clothing does not qualify as a deductible expense (i.e. as a uniform), then the costs, if paid by the County, must be allocated to the employee as income, treated as a taxable fringe benefit thereby subjecting it to income, Social Security and Medicare taxes.

NEPOTISM

In accordance with Chapter 573 of the Texas Government Code, the Texas Nepotism Statutes, an elected/appointed official or department head of DeWitt County is prohibited from hiring a relative related within the third degree of consanguinity (blood) or within the second degree of affinity (marriage) to work in a department that they supervises or exercises control over. A degree of relationship is determined under Texas Government Code Chapter 573. (See the charts that follow)

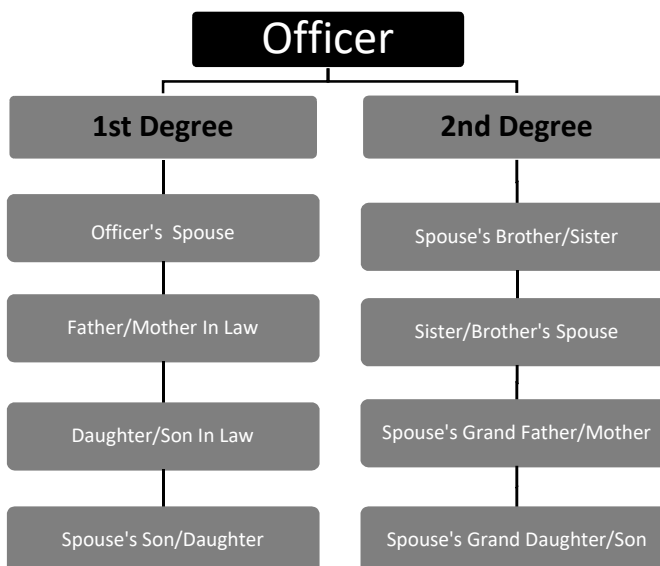

CONSANGUINITY KINSHIP CHART

(Relationship by Blood)

AFFINITY KINSHIP CHART

(Relationship by Marriage)

Elected/appointed officials are paid on a salary basis per the Department of Labor Sec. 541.602. A predetermined daily rate will be paid to the official for any day in which the Official performs any work without regard to the number of hours worked.

All department heads, who are not elected/appointed officials, will submit their time entry through the Employee Self-Service portal to Commissioners' Court or the approved designees for approval.

Leave requests must be submitted in writing or via the Employee Self-Service portal to the Commissioners' Court or approved designee for prior approval.

EMPLOYMENT STATUS

Each County position has an employee status that identifies how the position is paid and how benefits are granted. This policy defines both health insurance and retirement benefits. (Amended by Commissioners' Court 10/01/2023)

SECTION B: PAY PRACTICES

EMPLOYEE CLASSIFICATION

In October 2023 the Commissioners Court replaced a static and antiquated “Step” scheme of employee pay with a new system that attempts to reward exceptional employee performance and recognizes employee commitment to career development with the county. De Witt County employees are classified by job categories according to the daily tasks they are required to perform. The job description is used to identify the proper category for payroll purposes.

(Amended by Commissioners’ Court 10/01/2023)

PAY SCALE

The supervising department head or the elected/appointed official determines the rate of pay for individual employees they supervise. The hourly wage of an individual employee is set within a range of pay established by the Commissioners Court. The lower end of the range represents a suggested entry-level wage. The higher end of the range is a cap on wages for the job category. Highly credentialed and experienced employees whose skill set is complimentary to the job classification and adds value to the performance of the job to which they are assigned can be considered for an hourly wage above the entry level. Documentation of training certificates and annual performance evaluations are required for consideration for a wage increases. Pay raises and/or Cost of Living Adjustments are considered during the annual budget workshops of the Commissioners Court. The current Pay Scale is posted in the Employees’ Self-Service Portal.

(Amended by Commissioners’ Court 10/01/2023)

LONGEVITY RECOGNITION PAYMENTS

DeWitt County recognizes Regular Full-Time employees for their continuous years of dedicated service. Longevity Recognition Payments of \$100 will be multiplied by total continuous years of service with the county as of September 30 following eligibility. The eligibility date for a Longevity Recognition Payment is the first anniversary of the hiring date as a Regular Full-Time employee of the county. One year equals 12 calendar months. Longevity payments are paid to employees in a lump sum in the first pay period in December following eligibility. Longevity Pay is not an accrued benefit and is forfeited if the employee is severed from employment before the first pay period in December. Severed employees who are later re-employed by the county are not eligible for missed payments and will re-enter the longevity system as a newly-hired employee. The Commissioners Court set the rate at \$100 per year of continuous employment with the county on September 30 of the calendar year. An employee who is on Unpaid Leave Status remains eligible for his/her Longevity Recognition Payment if classified as employed on the first payroll date in December.

County employees receiving a longevity pay supplement of any kind from another state agency are not eligible for the DeWitt County Longevity Payment. DeWitt County elected officials are not eligible for Longevity Recognition Payments.

Employees are prohibited from performing any "off the clock" work. Employees may be required to take scheduled lunch breaks. Lunch breaks may be altered occasionally, with the

supervisor's approval. Employee's time sheets will be scrutinized by the supervisor and verified as correct by electronically submitting to the Treasurer's Office.

Falsifying a time sheet, a government record, is a punishable offense under the Texas Penal Code, Section 37.10 (Tampering with Government Records, a state felony punishable by up to two years in a state jail facility and a fine up to \$10,000.00 or both). Falsification of a time sheet will also result in discipline up to and including immediate termination of employment.

TIME SHEETS NON-EXEMPT

The following points must be considered when filling out a time sheet by a non-exempt (covered by FLSA) employee:

- It is a good practice for employees to track hours each workday. Each employee must submit their own time sheet stating that it is correct. This is done by electronically submitting the timesheet to their supervisor.
- Employees are not permitted to begin work before their normal starting time or to continue work after their normal quitting time without the prior approval of their supervisor.

TIME SHEETS EXEMPT

The following rules apply to time sheets for exempt (not covered by FLSA) employees:

- Exempt employees must use PTO for a full day absence. Employees are required to account for leave time used by submitting their own time sheet stating that it is correct. This is done by electronically submitting the timesheet to their supervisor.
- For pay periods in which no leave time is used, an electronic submission of time worked is not required.

**FAIR LABOR STANDARDS ACT (FLSA)
SAFE HARBOR**

DeWitt County makes every effort to pay its employees correctly. Occasionally, however, inadvertent mistakes can happen. When mistakes do happen and are called to the Treasurer's Office's attention, DeWitt County will promptly make any corrections necessary. Employees should review their pay stub when they receive it to make sure it is correct. If they believe a mistake has occurred or if they have any questions, please use the reporting procedure outlined below.

If employees have questions about deductions from their pay, they should immediately contact their supervisor. If they believe they have been subject to any improper deductions or their pay does not accurately reflect their hours worked, they should immediately report the matter to the Treasurer's Office. If they are unsure of who to contact or if they have not received a satisfactory response within five business days after reporting the incident, they should immediately contact the County Attorney. Every report will be fully investigated and corrective action will be taken where appropriate, up to and including discharge for any employee(s) who violates this policy. In addition, the County will not allow any form of retaliation against individuals who report alleged violations of this policy or who cooperate in the County's investigation of such reports. Retaliation is unacceptable, and any form of retaliation in violation of this policy may result in disciplinary action, up to and including termination.

Employees who are classified as non-exempt employees must maintain an accurate record of the total hours they work each day. It is the responsibility of each employee to verify that their time entry is correct. Employee's time sheets must accurately reflect all regular and overtime hours worked; any absences, late arrivals, early departures, and lunch breaks. Employees should not submit their timesheet if it is not accurate. When employees receive each pay check, they should verify immediately that they were paid correctly for all regular and overtime hours worked each work week.

Non-exempt employees, unless authorized by their supervisor, should not work any hours that are not authorized. Employees should not start work early, finish work late, work during a lunch break, or perform any other extra or overtime work unless they are authorized to do so. That time worked is to be recorded on the employee's timesheet. Employees are prohibited from performing any "off-the-clock" work. Any employee who fails to report or inaccurately reports any hours worked will be subject to disciplinary action, up to and including termination. If anyone directs an employee to work without documenting their time worked, they must tell the Treasurer's Office.

If an employee is classified as an exempt salaried employee, they will receive compensation which is intended to compensate them for all hours worked for the County. This compensation will be established at the time of hire or when the employee becomes classified as an exempt employee. While it may be subject to review and modification from time to time, the compensation will be a pre-determined amount that will not be subject to deductions for variations in the quantity or quality of the work performed.

For exempt employees, compensation may also be reduced for certain types of deductions such as their portion of health, dental or vision; state, federal or local taxes, social security, retirement; or, contributions to a voluntary deduction plan. In any workweek in which an employee performed any work, their wages may be reduced for any of the following reasons:

- 1) absence from work for 1 or more full days for personal reasons, other than sickness or disability
- 2) full day disciplinary leave for infractions of our written policies and procedures
- 3) full day for violating safety rules of a major significance
- 4) Family and Medical Leave or Military Leave absences
- 5) to offset amounts received as payment for military pay; or
- 6) the first or last week of employment in the event they work less than a full week.

For exempt employees, in any workweek in which they perform any work, compensation will not be reduced for any of the following reasons:

- 1) partial day absences for personal reasons, sickness or disability
- 2) absences because of the County's operating requirements
- 3) absences for jury duty, attendance as a witness, or military leave in any week in which employees have performed any work; or
- 4) any other deductions prohibited by state or federal law.

Please note: it is not an improper deduction to reduce an employee's accrued personal time off for full or partial day absences for personal reasons, sickness or disability.

WAGE OVERPAYMENT/UNDERPAYMENT

DeWitt County takes all reasonable steps to ensure that employees receive the correct amount of pay in each paycheck and that employees are paid promptly on the scheduled paydays.

In the event that there is an error in the amount of pay, the employee should promptly bring the discrepancy to the attention of the Treasurer's Office so that corrections can be made as quickly as possible. If the employee has been underpaid, DeWitt County will pay the employee the difference on the next scheduled payroll. If the employee has been paid in excess of what he or she has earned, the employee will need to return the overpayment to DeWitt County as soon as possible. No employee is entitled to retain any pay in excess of the amount they have earned according to the agreed-upon rate of pay. If a wage overpayment occurs, the overpayment will be regarded as an advance of future wages payable and will be deducted in whole or in part from the next available paycheck(s) until the overpaid amount has been fully repaid. Each employee will be expected to sign a wage deduction authorization agreement authorizing such a deduction.

INTERNAL REVENUE SERVICE (IRS) FRINGE BENEFITS

DeWitt County will comply with the IRS with regard to fringe benefits such as County uniforms, County vehicle usage and day-trip meals. Employees may be responsible for paying payroll taxes on such fringe benefits.

PAY ADVANCES

Advances in pay will not be made to any employee for any reason.

DIRECT DEPOSIT

Employees are to comply with the National Automated Clearing House Association rules and regulations and the County's rules about electronic transfers. The Electronic Fund Transfer Act (EFTA), also known as Federal Regulation E, permits employers to require direct deposit of wages, as long as the employee may choose the financial institution that will accept the direct deposit. As a security measure, DeWitt County prohibits the use of an account in which the employee is not an owner. Direct Deposit information may be changed at any time on the Employee Self Service Portal (ESS). If there is a payroll in process, the change will not be effective until the following pay period. Employees can access their bi-weekly pay information through the DeWitt County Employee Self-Service portal (ESS).

The County of DeWitt is not responsible for any loss due to inaccurate information provided by the employee or failure of the employee to confirm deposit of funds. Additionally, the County is not responsible for loss due to the actions or inaction of the employee's financial institution(s).

The County of DeWitt has implemented security measures to protect employee direct deposit information from fraud and unauthorized access. Employees must be vigilant in protecting their

online credentials (i.e., ESS ID and password) from theft through phishing, social engineering or other means. The County of DeWitt is not responsible for theft or loss of pay resulting from the employee intentionally or unintentionally sharing online credentials, confidential information, or sensitive personal information.

(Amended by Commissioners' Court 06/09/2022)

COMPENSATION

DeWitt County Commissioners' Court annually sets the maximum compensation for each employee in accordance with Texas State Law. County complies with the Fair Labor Standards Acts as outlined in the Fair Labor Standards Safe Harbor policy.

All non-exempt County employees shall be paid an hourly rate, including part-time employees. Exempt employees are paid a salary based on an hourly rate. Elected/appointed officials are paid a salary based on a daily rate. Temporary employees shall be paid hourly and at least at the minimum wage established by the Fair Labor Standards Act, as amended.

Salaries are set according to the current Salary Order adopted by the Commissioner's Court and kept in compliance with the County Budget. Employees' rates are outlined on the DeWitt County's current Pay Schedule.

OVERTIME COMPENSATION

Overtime, as defined by this policy, shall apply to all employees eligible for overtime compensation under the FLSA, except for law enforcement. (See Law Enforcement Overtime below)
Hours worked shall include all time actually spent in the service of the County as defined in the Fair Labor Standards Act (FLSA) and its regulations. The elected/appointed official or department head will define the days and hours the employee is to work.

Overtime must be approved by the elected/appointed official or department head prior to being worked by the employee, except in emergency situations. Overtime shall include all time actually worked for the County in excess of 40 hours in any workweek. Paid leave shall not be counted in determining if overtime has been worked in any work week.

Overtime compensation shall be paid out at one and one-half (1 ½) of their regular rate of pay. Employees may be called upon to work on their day off and for more hours than their regular shift calls for due to an emergency or other requirement as determined by their supervisor.

LAW ENFORCEMENT OVERTIME

Law enforcement employees are covered by the 207(k) exemption under the FLSA. They work shift work within a 14 day period. Law enforcement employees will be compensated biweekly for 86 hours. Employees will be paid their full bi-weekly compensation if they report at least 80 hours during a work period. Overtime will not be earned in any work period until the number of actual hours worked exceeds 86.

OTHER ISSUES

Any issues on overtime compensation not addressed in this policy shall at least meet the minimum requirements of the Fair Labor Standards Act and the regulations issued by the Department of Labor to administer that act.

(Amended by Commissioners' Court 11/14/2022)

SHERIFF'S DEPUTY RECRUITMENT INCENTIVE

DeWitt County Commissioners Court approved a recruitment incentive of \$1,000 for sheriff's deputies effective October 1, 2014. The sheriff's deputy must remain employed with DeWitt County as a sheriff's deputy for one (1) continuous year before the incentive will be paid. The incentive will be included on the first payroll check after completion of one (1) year of service as a DeWitt County sheriff's deputy. The employee must be defined as a regular, full-time employee, and may only receive the sheriff's deputy recruitment incentive once. Deputies who have received the recruitment incentive once, and are subsequently severed, whether voluntarily or involuntarily, are not eligible for the incentive if rehired at a later date. The incentive may be continued or discontinued in the future by action of the Commissioner's Court. Deputies recruited while the incentive is in effect will be paid according to the above terms even if the program is discontinued by the commissioner's court in a subsequent budget year.

(Amended by Commissioners' Court 10/01/2023)

EMERGENCY PAY

This Policy will be in effect whenever the County Judge, or designee, declares that emergency conditions warrant either preparation for, or reaction to a potentially disastrous event. Each emergency is unique and while this policy is intended for overall guidance, the County Judge reserves the right to evaluate this policy and issue alternative procedures according to the statutes or the State of Texas and/or Federal Authority.

DeWitt County will provide paid leave for all non-essential and essential employees in County declared emergencies including, but not limited to: hurricanes, tornadoes, floods, and other Acts of God; nuclear, chemical and biological emergencies, terrorist attack, or any other emergency declared by the County not mentioned herein. Nothing in the policy shall be construed as changing the "at-will" or exempt/non-exempt status of any person employed by DeWitt County.

In the event that an emergency closing is ordered by the County Judge, or designee, the closing shall be clearly posted on the DeWitt County website and all elected/appointed officials/department heads shall be notified by the County Judge, or designee.

REGULAR EMPLOYEES (FULL-TIME & PART-TIME)

Regular employees will be paid their normal hourly rate for their regularly scheduled hours, and the day(s) will be recorded as Emergency Pay. This time is not considered time worked and will not be used to determine eligibility for overtime.

Essential employees- are those who are required to work performing necessary tasks during an emergency. Such personnel may include corrections officers, deputy sheriffs, road and bridge crews, detention officers, emergency management personnel, maintenance personnel, personnel designated by elected/appointed officials or department heads for their respective departments. All employees should remain in contact with their elected/appointed official or department head for further instructions.

ESSENTIAL EMPLOYEE COMPENSATION

Along with the Emergency Pay, essential employees will receive compensation for hours physically worked during the County closure. Employees who physically work up to 40 hours per week, for the duration of the closure, will be compensated at their normal hourly rate. All hours worked in excess of 40 hours, will be paid at their overtime rate of one and one-half (1 ½) times their regular rate.

LAW ENFORCEMENT

Along with the Emergency Pay, law enforcement will receive compensation for hours physically worked during the County closure. Employees who physically work up to 86 hours in the 14 day period, for the duration of the closure, will be compensated at their normal hourly rate. All hours worked in excess of 86 hours, will be paid at the overtime rate of one and one-half times their regular rate.

Any employee who is off or scheduled to be off on Personal Time Off (PTO), FMLA, or leave without pay during a period of disaster/emergency closure shall not be required to report said time as such.

If an emergency is not declared by the County Judge or designee, the elected/appointed official may choose to close or delay opening of their office due to an emergency or inclement weather. The employee may be required to use PTO hours. If all PTO is exhausted the employee may be unpaid. However, each elected/appointed official controls the working hours of their employees, even in an emergency situation, and employees may be granted Administrative Leave. (See Administrative Leave)

ADMINISTRATIVE LEAVE

An employee may be granted Administrative Leave when it is recommended by the elected/appointed official. The elected/appointed official shall notify the County Treasurer's Office in writing:

- The name(s) of employees granted leave
- The reason for the leave; and
- The day(s) and times for which Administrative Leave is being granted.

At no time will hours granted for Administrative Leave be counted towards hours worked for the purpose of calculating overtime pay.

WORKING REMOTELY

Employees are allowed to work remotely only if their job duties permit it. For example, people who are obliged to come in direct physical contact with customers are not eligible to work remotely unless the elected/appointed official or department head can accommodate job duties for working remotely. With the approval of the elected/appointed official or department head the employee may work remotely temporary or on an occasional basis. Reasons for working remotely may include but are not limited to: parenting, bad weather, emergencies, medical reasons or work-life balance.

Working remotely does not affect employees' employment terms. Working remotely does not affect compensation and/or benefits and should be tracked as regular hours worked.

Any employee working remotely may be liable for County property that is stolen, lost and/or damaged. (See Information Technology Resources.)

PAYROLL DEDUCTIONS

REQUIRED DEDUCTIONS

Deductions shall be made from each employee's paycheck for federal withholding, social security, Medicare, and any other deductions required by law.

RETIREMENT

Employees eligible for membership in the Texas County and District Retirement System (TCDRS) shall have their contributions to that system deducted from each paycheck.

VOLUNTARY DEDUCTIONS

Any voluntary deduction authorized by the Commissioners' Court and approved by the employee shall be deducted from the employee's paycheck. No voluntary deduction shall be made from an employee's paycheck unless the employee and/or representative turns in a written authorization for the deduction to the County Treasurer's office.

WORK SCHEDULE AND WORKWEEK

WORK SCHEDULE

The normal hours of operation for most department in the County is from 8:00 a.m. until 5:00 p.m., Monday through Friday.

EXCEPTIONS

In order to meet the needs of the County, certain departments or employees may be required to work a schedule that varies from the normal work schedule, or they may be subject to call back in case of emergency or special need.

The need for schedules that vary from the normal schedule shall be determined by each elected/appointed official or department head.

WORKDAY

The workday for law enforcement employees and dispatchers shall begin at the start of their shift and ending 24 consecutive hours later. For purposes of time entry the workday for all other County employees shall begin at 12:00 a.m. each day and end 24 consecutive hours later.

WORKWEEK

For purposes of record keeping and to determine overtime in compliance with the Fair Labor Standards Act (FLSA), the workweek for the County shall begin at 12:00 a.m. on each Saturday and end 7 consecutive work days (168 hours) on each Friday at 11:59 p.m. The work period for law enforcement is 14 days; therefore, an employee who reports to work on the last day of the pay period shall count all shift hours for that day.

DEMOTIONS AND TERMINATIONS

A demotion is the movement of an employee from one position to another with a decreased responsibility or complexity of job duties.

An employee will retain their current step, but will be placed into a lower paid category within the department. An employee who is demoted will retain the same effective employment date and all accrued benefits.

An employee's position with the County is a public trust. An employee can be demoted or terminated from their job for a variety of reasons. Some of the more critical are:

- Poor or incompetent performance
- Insubordination
- Deliberate or negligent abuse of County property
- Abuse of benefits
- Unauthorized use or disclosure of official information
- Excessive or unauthorized absences
- Conduct unbecoming to a public servant, either on or off duty, which adversely reflects on the County
- Behavior inconsistent with the policies and/or procedures set forth and established by DeWitt County
- Falsification of documents or records including timesheets
- Disruptive behavior which impairs the performance of others
- Theft of property belonging to the County or fellow employees
- Harassment, sexual harassment or discrimination
- Violating the drug and alcohol policy
- Use of profanity
- Willful discourtesy to a citizen in the line of duty
- Unauthorized or illegal use of County equipment or property
- Gross or repeated neglect of duty
- Violence or threats of violence
- Safety violations and horseplay

The above mentioned reasons for disciplinary procedures are only guidelines, are not all inclusive, and are not intended to apply to every situation. These guidelines are not meant to change, and do not change, the employment at-will relationship.

Any employee may be terminated at any time when, in the judgment of the elected/appointed official or department head, the quality of the employee's work or conduct is not such as to merit continuation in service to the County, or for any legal reason.

(Amended by Commissioners' Court 07/25/2022)

- Their position is abolished;

A separation by death will occur when an individual dies while currently employed by the County. The employee's designated beneficiary or estate will receive all earned pay and payable benefits.

TEMPORARY EMPLOYMENT

An employee is separated from employment because the temporary position they were originally hired to do has ended.

NOTIFICATIONS

As soon as a supervisor becomes aware of the separation from employment, or the intent to separate from employment, the supervisor is responsible for immediately notifying the Treasurer's Office. The Treasurer's Office will mail all separated employees necessary exit documentation.

(Amended by Commissioners' Court 06/09/2022)

DISCIPLINE

County employees are public servants and, as such, should conduct themselves professionally and courteously while on duty or while wearing any indication of their status as a County employee. All employees are expected to comply with County policies, follow the lawful direction of supervisors, and avoid the appearance of illegal or unethical conduct at all times. Employee conduct is verbal or physical behavior and includes all types of communication including without limitation electronic communication.

Officials have the responsibility and authority to instruct, correct and if necessary, reprimand employees. Progressive discipline steps include but are not limited to an oral or written warnings, leave with or without pay, or termination of employment. While the County will generally follow progressive discipline steps, it may impose discipline at any level, including immediate termination of employment, depending upon the severity of the offense.

All written reprimands shall be filed in the employee's official personnel record in the County Treasurer Office.

INVESTIGATIVE/DISCIPLINARY LEAVE

INVESTIGATIVE PAID LEAVE

Investigative paid leave is the temporary release from duty of a County employee *with pay* to permit investigation of serious infractions of County and/or departmental rules or policies, including but not limited to being accused of discrimination or harassment. Upon completion of the investigation the employee may be returned to work without penalty, placed on disciplinary unpaid leave, terminated or may be subject to a more moderate disciplinary action as deemed appropriate by the elected/appointed official or department head.

DISCIPLINARY UNPAID LEAVE

Disciplinary unpaid leave is the temporary release from duty of a County employee *without pay* and is applicable when the responsible elected/appointed official or department head determines that a violation(s) or repetition of violation(s) of County and/or departmental rules and policies are serious enough to warrant unpaid leave.

DOCUMENTATION REQUIRED

Written notice of investigative and disciplinary unpaid leave shall be given to the employee with a copy in the personnel file or the investigative file, whichever is appropriate. The notice shall include the following:

- Reason for the investigative or disciplinary leave.
- Inclusive dates of leave duration.
- Advice to employee that failure to return to work on the first scheduled workday following the leave will result in immediate termination.

An investigative or disciplinary leave given to an exempt employee must be for full work days only. The duration of leave is at the discretion of the elected/appointed official or department head.

During the investigative paid leave or disciplinary unpaid leave the employee will be prohibited from using their Personal Time Off.

The Treasurer's Office should be updated weekly on the status of any investigative paid leave and/or disciplinary unpaid leave.

TRANSFERS

Employees hired into positions within other County departments will be placed in the step corresponding with their experience and education. An employee will receive the compensation for the new position for which their qualifications justify, and that is within the department's annual budget.

An employee who makes a transfer will retain the same effective employment date and all accrued benefits; however, the effective date for step increases for the new position will be the date of the transfer. All transfers must be handled in accordance with the budget and salary order adopted by Commissioners' Court.

(Amended by Commissioners' Court 07/25/2022)

PROMOTIONS

Promotions are the movement of an employee from one position to another with an increased responsibility or complexity of job duties and to a higher pay. Elected/appointed officials or department heads may promote an employee in their department to a vacant position.

An employee who is promoted will retain the same effective employment date and all accrued benefits. All promotions must be handled in accordance with the budget and salary order adopted by Commissioners' Court.

(Amended by Commissioners' Court 07/25/2022)

SECTION C: EMPLOYEE BENEFITS

MEDICAL INSURANCE

DeWitt County provides health insurance for all full-time employees under the County's group insurance plan. The Commissioners' Court determines the amount of health insurance premium that the County assumes for the employee portion. Employees who work an average of 30 or more hours a week in the Initial Measurement Period or Standard Measurement Period will be eligible for medical insurance. Employees who work an average of less than 30 hours a week in the Initial Measurement Period or Standard Measurement Period will not be eligible for medical insurance.

An employee's dependents may also be insured under the County's group insurance plan. Employees must pay the additional premium for coverage of dependents through payroll deduction. Contact the Treasurer's Office for rate and benefit information.

INITIAL MEASUREMENT PERIOD

The defined Initial Measurement Period, for determining eligibility for medical insurance, for County employees, who work on average 30 or more hours a week, is from the employee's date of hire to the employee's 1st anniversary date. For eligible employees, coverage will be effective the 1st of the month after 60 days following the 1st anniversary date. The Initial Measurement Period is only used to determine eligibility for medical insurance, not for other insurance or voluntary deductions.

STANDARD MEASUREMENT PERIOD

The defined Standard Measurement Period, for determining eligibility for medical insurance, for County employees, who work on average 30 or more hours a week, is from the first pay period of August to the last pay period in July of each fiscal year. For eligible employees, coverage will be effective on October 1st. The measurement period is only used to determine eligibility for medical insurance, not for other insurance or voluntary deductions.

(Amended by Commissioners' Court 02/13/2023)

OTHER INSURANCE

DeWitt County also offers dental and vision insurance through payroll deductions for all full-time employees and their dependents. The employee is responsible for all premiums.

COBRA

Any employee who has group insurance coverage at the time of termination has conversion privileges for medical, dental, and vision insurance (COBRA). The employee can continue coverage after leaving employment by assuming full payment of premiums. The conversion privileges also apply to dependents that are covered at the time of the employee's termination.

To enroll, or for further information, employees may contact the Treasurer's Office.

IMPORTANT NOTICE TO EMPLOYEES AND DEPENDENTS OF CONTINUATION OPTION

The Consolidated Omnibus Budget Reconciliation Act (COBRA) passed by the 99th Congress provides that when participants (employees and dependents) lose their eligibility for group coverage because of any of the events listed below, they may elect to continue group coverage. The continued coverage can remain in effect for a maximum period of either 18, 24, or 36 months depending on the reason that eligibility terminated.

EVENTS QUALIFYING FOR 18-MONTH CONTINUATION:

- Reduction of employee work hours;
- Voluntary termination of employment;
- Involuntary termination of employment (except termination for gross misconduct); or
- Retirement

Note: The 18 months may be extended to up to 29 months when any participant is determined by the Social Security Administration to be disabled at any time during the first 60 days of COBRA coverage and notice of such determination is provided both within 60 days of the determination and prior to termination of continuation coverage.

EVENTS QUALIFYING FOR 24-MONTH CONTINUATION:

- Voluntary leave to perform military service;
- Involuntary leave to perform military service;
- Any other reasons covered under Uniformed Services Employment and Reemployment Rights Act (USEERRA)

EVENTS QUALIFYING FOR 36-MONTH CONTINUATION FOR DEPENDENTS ARE:

- Death of the employee; or
- Divorce or legal separation of the employee; or
- Medicare eligible employee; or
- Children who lose coverage due to eligibility provisions (for example: marriage)

It is the former employee's responsibility to notify the Treasurer's Office within 60 days of when a qualifying event has occurred. Information will be given concerning COBRA rights, cost and forms for signing up. The County has the right to terminate COBRA coverage if premiums are not paid by the deadline determined by the Treasurer's office.

VOLUNTARY DEDUCTIONS

DeWitt County also offers other voluntary deductions through payroll for all full-time employees and their dependents. The employee is responsible for all premiums.

RETIREMENT

Employees who regularly work for the County, regardless of the number of hours worked per year, must become members of the Texas County and District Retirement System (TCDRS).

Employee contribution to TCDRS is determined annually by Commissioners' Court. The County contributes an amount determined each year and at least equal to the employees

contribution. Upon completion of 8 years of service, an employee may have a vested interest in the retirement system.

An employee may not borrow against their retirement for any reason. They may only withdraw their money upon retirement or termination of employment with the County.

Employees are eligible for retirement benefits if they have:

- At least 8 years of credited service at age 60 or older;
- A combined age and total service (each rounded down to whole years) of 75 or more; or
- Accumulated thirty 30 years of credited service

If an employee terminates employment with the County, the employee may request to withdrawal their TCDRS funds. The employee will then not be entitled to the County's portion contributed to the system on their behalf, regardless of being vested.

For additional information, refer to www.tcdrs.org or contact the Treasurer's Office.

GROUP TERM LIFE

TCDRS provides Group Term Life coverage to eligible DeWitt County employees. Eligible employee's beneficiaries will receive a one-time payment of the employee's yearly salary or wages if the employee passes away while still employed.

TCDRS also provides Group Term Life to retirees. This coverage provides Retiree's beneficiaries a \$5,000 life insurance benefit.

SURVIVOR BENEFIT

TCDRS provides survivor benefits to eligible DeWitt County employees. The survivor benefit monthly payment is made up of an employee's deposits and interest, as well as the employer matching. If an employee has four or more years of TCDRS service, the employee's beneficiary has the option of receiving a lifetime monthly payment from the employee's account, if the employee passes away before they retire.

PERSONAL TIME OFF (PTO)

PURPOSE

DeWitt County recognizes that employees have diverse needs for time off from work and, as such, DeWitt County has established this personal time off (PTO) policy. The benefits of PTO are that it promotes a flexible approach to time off by combining vacation, sick, and excused leave. Employees are accountable and responsible for managing their own PTO hours to allow for adequate reserves if there is a need to cover vacation, illness or disability, appointments, emergencies, or other situations that require time off from work.

ELIGIBILITY

PTO is accrued upon hire, rehire or transfer to a full-time position.

AVAILABILITY

PTO accruals are available for use in the pay period in which they are accrued.

ACCRUAL AND PAYMENT OF PTO

Years of continuous service in a full-time position determines the rate at which the employee will accrue PTO. PTO does not accrue if an employee is on an unpaid leave of absence for an entire pay period. Employees become eligible for the higher accrual rate at the beginning of the pay period following their most current full-time anniversary date.

ACCRUAL RATES

Continuous Years of Service	Accrual Hours Per Pay Period	*Hours Accrued Annually	**Maximum Hours & Balance
less than 1 year	6.25	162.50	162.50
1-9 years	9.25	240.50	480
10 years or more	11	286	480

*Annual PTO accruals are based on 26 pay periods/year.

**No PTO hours will accrue beyond the maximum balance listed.

USE AND SCHEDULING OF PTO

Employees are required to use available PTO when taking time off from work before going unpaid, unless approval is not granted. Employees, including exempt employees, with a forty (40) hours per week schedule, cannot use PTO if the combined physically worked hours and the holiday hours, for that week, are equal to or greater than forty (40). Deputies and jailers cannot use PTO if the combined physically worked hours and the holiday hours, for the entire pay period, are equal to or greater than eighty (80). PTO may be taken in increments of as low as one-fourth (0.25) of an hour.

Whenever possible, PTO must be scheduled in advance. PTO is subject to supervisory approval, department staffing needs and established departmental procedures. Unscheduled absences will be monitored. An employee will be counseled when the frequency of unscheduled absences adversely affects the operation of the department. The supervisor may request that the employee provide a statement from a health care provider concerning the justification for an unscheduled absence.

When PTO is used, an employee is required to use PTO hours according to their regular work schedule. PTO is paid at the employee’s straight time rate, and is not part of any overtime calculation. An employee cannot track extra PTO time within a pay period to receive extra compensation. For example, if an employee has worked thirty-three (33) hours (in a forty (40) hours per week schedule), and takes off one day, only seven (7) hours of PTO would need to be tracked to equal forty (40) hours.

Employees may not borrow against their PTO banks; therefore, no advanced leave will be granted.

PTO & MEDICAL

Where PTO is to be used for medical appointments, including events covered under FMLA, an employee shall be required to notify their supervisor of the intent to use PTO, as soon as the employee knows of the appointment. Employees are encouraged to schedule their

appointments as early as possible in the day or as late as possible in the afternoon to minimize business disruption.

Where use of medical leave is not known in advance, an employee will notify their supervisor of the intent to use sick leave as determined by the interdepartmental policy. If the employee feels that the situation will cause the employee to miss more than one (1) day of work, the employee should notify their supervisor of the anticipated length of absence.

DOCUMENTATION

If an employee is out for three (3) or more consecutive days due to medical reasons, the supervisor may require a physician’s statement or some other acceptable documentation of injury or illness. A supervisor may also require documentation at any time they have reason to believe the employee is not sick and/or has a pattern of abusing benefit hours.

Employees will track PTO within the ESS Portal by selecting “MEDICAL PTO” or “NON-MEDICAL PTO.” This is used to help determine if any employee shall be placed on the Family and Medical Leave Act (FMLA). (See Family and Medical Leave Act (FMLA))

PAYOUT UPON SEPARATION

Full-time employees who have completed one (1) year of continuous service are eligible for a payout from their PTO bank, not to exceed the maximums shown below.

Continuous Years of Service	PTO Hours
1 - 9 years	80 (Maximum)
10 years or more	120 (Maximum)

A full-time employee who does not complete one (1) year of continuous service will not receive a payout. The continuous years of service will be calculated from the employee’s full-time hire date.

(Amended by Commissioners’ Court 10/01/2023)

- Each holiday is equivalent to eight hours of regular pay for all eligible County employees.
- Full-time employees are eligible for paid holiday hours while employed.
- While on leave (without pay), an employee may not receive pay for Holidays.
- Holidays shall be tracked on the date determined by Commissioner’s Court.

- The official list will be available to County employees through their ESS Portal.

PROHIBITION OF STACKING BENEFIT HOURS

Regular full-time employees cannot use PTO or any other benefit hours if the hours physically worked are equal to or greater than 40 hours for the week. On pay periods including a holiday, if the hours physically worked and the paid holiday hours are equal to or greater than 40 hours for the week, the employee cannot use PTO or any other benefit hours.

Law enforcement employees, who fall under FLSA 29 U.S.C. 207(k), cannot use PTO or any other benefit hours if the hours physically worked are equal to or greater than 80 hours for the pay period. On pay periods including a holiday, if the hours physically worked and the paid holiday hours are equal to or greater than 80 hours for the pay period, the employee cannot use PTO or any other benefit hours.

Elected/appointed officials or department heads, and supervisors, are prohibited from approving employee time sheets that have the effect of “stacking” benefits on top of hours worked and vice-versa.

The County is prohibited from paying employees for “stacked” time.

Any officer, telecommunicator or supervisor who becomes aware of behavioral changes and suggests they seek mental health leave shall not discuss that matter with any third party. Any breach of this confidentiality shall be grounds for discipline up to, and including, termination.

Confidentiality may be waived by the officer or telecommunicator seeking mental health leave. Confidentiality may be waived under circumstances which indicate the officer or telecommunicator is a danger to themselves or others and department personnel must confer with mental health professionals.

COURT RELATED LEAVE

Employees of the County who are called for jury duty shall receive their regular pay for the period they are called for jury duty which includes both the jury selection process and, if selected, the time they actually serve on the jury. This time is not considered time worked and will not be used to determine eligibility for overtime.

Pay for serving on a jury shall only include the time the employee would have normally been scheduled to work and will not include extra pay if jury service involves time outside the employee's normal work schedule.

Any fees paid for jury service may be kept by the employee. Employees who are subpoenaed or ordered to attend court to appear as a witness or to testify in some official capacity on behalf of the County, shall be entitled to leave with pay for such period as their court attendance may be required. If an employee is absent from work to appear in private litigation in which they are a principal party, the time shall be charged to PTO, or leave without pay.

MILITARY LEAVE

County employees who are members of the National Guard or active reserve components of the United States Armed Forces shall be allowed up to 15 days off per federal fiscal year (October 1 – September 30) with pay to attend authorized training sessions and exercises. The 15 day paid military leave shall apply to the federal fiscal year (October 1 – September 30) and any unused balance at the end of the year shall not be carried forward into the next federal fiscal year.

Pay for attendance at Reserve or National Guard training sessions or exercises shall be authorized only for periods that fall within the employee's normal work schedule. If the employee must attend Reserve or National Guard Training sessions or exercises in excess of the 15 day maximum, the employee shall use their PTO leave. If all PTO leave is exhausted the employee will go without pay.

Any DeWitt County employee who is a member of the Texas military forces, a reserve component of the armed forces, or a member of a state or federally authorized urban search and rescue team called to state active duty by the governor or another appropriate authority in response to a disaster is entitled up to 7 days of paid disaster leave per fiscal year. This leave is in addition to the paid leave provided for authorized training or duty otherwise authorized or ordered. During disaster leave under these provisions, the person may not be subjected to loss of time, efficiency rating or PTO.

An employee going on military leave shall provide their supervisor with a set of orders within 2 business days after receiving them. The supervisor should then forward a copy to the Treasurer's Office.

DeWitt County will provide upon request of the employee a statement that contains the number of workdays used for military leave in the fiscal year as well as a statement of the number of workdays left for use during the fiscal year.

County employees who leave their positions as a result of being called to active military service or who voluntarily enter the Armed Forces of the United States shall be eligible for re-employment in accordance with the state and federal regulations in effect at the time of their release from duty.

While on military leave, the County shall continue to pay the employee's medical insurance premium at the same rate as if the employee had been actively at work. The employee shall be required to pay for dependent coverage, and for any other insurance coverage for which the employee would normally pay, or the coverage will be discontinued. Payment for coverage shall be made through regular payroll deduction while the employee is on leave with pay. While on leave without pay, the employee shall be required to pay for premiums by the deadline determined by the Treasurer's office, or the coverage shall be discontinued.

Once an employee's military service exceeds 30 days, they may choose to continue coverage by assuming full payment of premiums through COBRA. (See COBRA) If an employee returns from military leave within the time frame in effect, in accordance with state and federal regulations, insurance may be reinstated without a waiting period.

(Amended by Commissioners' Court 02/13/2023)

- Have worked at least 1250 hours during the previous 12 months.

QUALIFYING EVENTS

Family or medical leave under this policy may be taken for the following situations:

- the birth of a child and in order to care for that child;
- the placement of a child in the employee's home for adoption or foster care;

- to care for a covered service member (Regular, Reserve or National Guard) with a serious injury or illness if the employee is the spouse, child, parent or next of kin (nearest blood relative) of the service member; or

SERIOUS HEALTH CONDITION

Serious health condition of the employee is defined as a health condition that requires overnight inpatient care at a hospital, hospice, or residential care medical facility or continuing treatment by a health care provider.

Serious health condition of a spouse, child, or parent is defined as a condition that requires overnight inpatient care at a hospital, hospice, or residential care medical facility, or a condition that requires continuing care by a licensed health care provider.

- Any period of incapacity due to pregnancy or pre-natal care.
- Any period of incapacity or treatment due to a chronic serious health condition that requires periodic visits to a health care provider and continues over an extended period of time.
- Any period of incapacity that is permanent or long term due to a condition for which treatment is not effective.
- Any period of incapacity or absence to receive multiple treatments by a health care provider.

LEAVE CALCULATION

An employee may use up to 12 weeks leave per 12-month period under this policy. DeWitt County sets the 12-month period used under this policy as a “rolling” 12-month period measured backward from the date an employee uses FMLA leave.

PAID AND UNPAID LEAVE

If any employee has any available PTO leave, it must be used concurrently with any available FMLA leave, provided the employee’s absence is covered by the County’s PTO policy. Accrued PTO leave taken for the purposes of FMLA for the employee or employee’s immediate family will follow the guidelines set out in the PTO policy. If an employee exhausts accrued PTO leave, an employee on FMLA will be unpaid, but their FMLA balance will still be depleted. FMLA leave will also run concurrently with any time off from work covered by workers’ compensation or Paid Quarantine Leave.

INTERMITTENT LEAVE

An employee will take FMLA leave because of a serious health condition, intermittently (in separate blocks of time due to a single health condition) or on a reduced-schedule leave (reducing the usual number of hours worked per workweek or workday) if medically necessary. If an employee’s intermittent leave is unpaid, the County will reduce the employee’s pay based on the amount of time actually worked. In addition, while an employee is on an intermittent or reduced-schedule leave, the County may temporarily transfer the employee to an available alternative position that better accommodates the recurring leave and which has equivalent pay and benefits.

Unless approved in advance in writing by the County, an employee may not take intermittent leave to care for the employee’s own child during the first year following birth, or to care for a child placed with the employee for foster care or adoption.

LEAVE AMOUNT

Up to twelve (12) weeks leave per twelve (12) month period may be used under this policy. The County will measure the twelve (12) month period as a rolling twelve (12) month period measured backward from the date an employee uses any leave under this policy.

All leave taken under this policy during the prior twelve (12) month period shall be subtracted from the employee’s twelve (12) week leave eligibility and the balance is the leave the employee is entitled to take at that time.

Eligible spouses who both work for the County, are limited to combined total of twelve (12) workweeks of leave in single twelve (12) month period for:

- the birth of a son or daughter and bonding with the newborn child
- the placement of a son or daughter with the employee for adoption or foster care and bonding with the newly-placed child, and
- the care of a parent with a serious health condition.

An eligible employee is entitled up to 26 workweeks of leave to care for a covered service member with a serious injury or illness during a single twelve (12) month period:

- the single twelve (12) month period begins on the first day the eligible employee takes FMLA to care for covered service member and ends twelve (12) months after that date;
- if an eligible employee does not take all of their 26 workweeks during this twelve (12) month period, the remaining part of the 26 workweeks of leave entitlement to care for the covered service member is forfeited;
- this leave entitlement is applied on a per-injury basis such that an eligible employee may be entitled to take more than one period of 26 workweeks of leave if the leave is to care for different covered service members or to care for the same covered service member with a subsequent serious illness or injury, except that no more than 26 workweeks may be taken within any single twelve (12) month period.

Eligible spouses who both work for the County are also limited to a combined total of 26 workweeks of leave in a single 12-month period to care for a covered service member with a serious injury or illness (commonly referred to as “military caregiver leave”) if each spouse is a parent, spouse, son or daughter, or next of kin of the service member. When spouses take military caregiver leave as well as other FMLA leave in the same leave year, each spouse is subject to the combined limitations for the reasons for leave listed above.

SUBSTITUTION OF PAID LEAVE

DeWitt County requires substitution of paid leave for all FMLA. An employee must follow the PTO policy guidelines. The balance of FMLA is unpaid leave. FMLA runs concurrently with all substituted paid leave, including Worker’s Compensation leave, Paid Quarantine Leave & Mental Health Leave.

INSURANCE

While on leave under this policy, the County shall continue to pay the employee’s medical insurance premium at the same rate as if the employee had been actively at work.

The employee shall be required to pay for dependent coverage, and for any other insurance coverage for which the employee would normally pay, or the coverage will be discontinued. Payment for coverage shall be made through regular payroll deduction while the employee is on leave with pay. While on leave without pay, the employee shall be required to pay for premiums by the deadline determined by the Treasurer’s office, or the coverage shall be discontinued.

EXHAUSTION OF FMLA LEAVE

If an elected/appointed official approves for an employee to be out for longer than the 12 weeks outlined under FMLA, the employee may be placed on COBRA, and be responsible for making payments to the County for their portion of insurance until they have returned to a full or light duty status. (See COBRA)

RETURN FROM FMLA LEAVE

Upon return from FMLA leave, an employee will be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

NOTICE

If the need to use FMLA leave is foreseeable, the employee must give the County at least 30-days' prior notice of the need to take leave. If 30-days' notice is not possible, the employee must give notice as soon as practicable (within one or two business days of learning of the need for leave except in extraordinary circumstances). An employee's failure to provide adequate notice may be grounds for delaying the start of the FMLA leave.

Whenever possible, requests for FMLA leave should be submitted to the Treasurer's Office. When submitting a request for leave, an employee must provide sufficient information to allow the County to determine if the leave qualifies as FMLA leave, including information on the anticipated start date for the leave and the duration of the leave.

The employee may be required to provide information documenting that the employee is unable to perform job functions; that a family member is unable to perform daily activities; that the employee or family member needs hospitalization or continuing treatment by a health care provider; or the circumstances supporting the need for military family leave. An employee also must inform the County if the requested leave is for a reason for which FMLA leave was previously taken or certified.

CERTIFICATION

Employees will be required to provide a certification and periodic recertification supporting the need for leave. If an employee requests leave under this policy, the County will notify the employee if medical certification is required and when it is due. Failure to timely provide requested medical certification (if required) may result in denial of leave until certification is provided.

(Amended by Commissioners' Court 02/13/2023)

Military Family Leave Act (MFLA)

Under the MFL, there are 3 types of leave available:

- a qualifying exigency leave;
- leave to care for a covered service member; or
- leave to care for a covered veteran who is undergoing medical treatment, recuperation or therapy, for a serious injury or illness and who was a member of the Armed Forces (Regular, Reserve, or National Guard).

QUALIFYING EXIGENCY LEAVE

An eligible employee may be entitled to use up to 12 weeks of their FMLA leave entitlement to address certain qualifying exigencies. Leave may be used if the employee's spouse, son, or daughter in the Armed Forces (Regular, Reserves or National Guard) is on active duty or called to active duty status in a foreign country.

Qualifying exigencies may include:

- short-notice deployment (up to 7 days of leave);
- attending certain military events and related activities;

- arranging for alternative childcare;
- addressing certain financial and legal arrangements;
- periods of rest and recuperation for the covered military member (up to 15 days of leave);
- attending certain counseling sessions;
- attending post-deployment activities (available for up to 90 days after the termination of the covered military member's active duty status);
- other activities arising out of the covered military member's active duty or call to active duty in a foreign country and agreed upon by the County and the employee;
- attending family support or assistance programs and informational briefings;
- acting as the covered military member's representative before a governmental agency;
- and
- addressing issues that arise from the death of a covered military member while on active duty status in a foreign country.

An employee requesting leave for a qualified exigency will be required to provide a certification on DOL Form WH-384 which will be provided by the County. This certification must be complete and sufficient enough to enable the County to determine the need to leave.

MILITARY CAREGIVER LEAVE

An eligible employee may take up to 26 weeks of leave to care for a covered service member during a single 12-month period. A covered service member is either a current member or veteran of the Armed Forces (Regular, Reserve or National Guard).

An eligible employee may take up to 26 weeks of leave to care for a covered service member of the Armed Forces (Regular, Reserve, or National Guard) who has been rendered medically unfit to perform their duties due to a serious injury or illness incurred in the line of duty while on active duty for which the service member is undergoing medical treatment, recuperation, or therapy; or is in outpatient status; or is on the temporary disability retired list.

An eligible employee may take up to 26 weeks of leave to care for a veteran (Regular, Reserve, or National Guard) who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness and who was a member of the Armed Forces (Regular, Reserve or National Guard) at any time during the period of 5 years preceding the date on which the veteran undergoes that medical treatment, recuperation or therapy.

The MFL entitlement is applied on a per-injury basis and an eligible employee may be entitled to take more than one period of 26 weeks of leave if the leave is to care for different covered service members or covered veteran with a subsequent serious illness or injury, except that no more than 26 weeks may be taken within any single 12-month period.

An eligible employee may begin taking military caregiver leave up to 5 years after their family member was discharged or released from the military. The eligible employee's first date of leave must be within the 5 year period; however, the employee may continue to take such leave throughout the single 12-month period that is applicable to military caregiver leave, even if the leave extends beyond the 5 year period.

An employee does not need to use this leave entitlement in one block. Leave can be taken intermittently or on a reduced leave schedule when medically necessary. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the County's operations.

INTERMITTENT LEAVE

An employee will take MFL leave for a qualifying exigency or serious health condition intermittently (in separate blocks of time due to a single health condition) or on a reduced-schedule leave (reducing the usual number of hours worked per workweek or workday) if medically necessary. If an employee's intermittent leave is unpaid, the County will reduce the employee's salary based on the amount of time actually worked. In addition, while an employee is on an intermittent or reduced-schedule leave, the County may temporarily transfer the employee to an available alternative position that better accommodates the recurring leave and which has equivalent pay and benefits.

EXHAUSTION OF MFLA LEAVE

If an elected/appointed official approves for an employee to be out for longer than the 12 weeks or 26 weeks outlined under MFLA, the employee may be placed on COBRA, and be responsible for making payments to the County for their portion of insurance until they have returned to a full or light duty status. (See COBRA)

LEAVE AMOUNT

Up to twelve (12) weeks leave per twelve (12) month period may be used under this policy. The County will measure the twelve (12) month period as a rolling twelve (12) month period measured backward from the date an employee uses any leave under this policy.

All leave taken under this policy during the prior twelve (12) month period shall be subtracted from the employee's twelve (12) week leave eligibility and the balance is the leave the employee is entitled to take at that time.

Eligible spouses who both work for the County, are limited to combined total of twelve (12) workweeks of leave in single twelve (12) month period for:

- the birth of a son or daughter and bonding with the newborn child
- the placement of a son or daughter with the employee for adoption or foster care and bonding with the newly-placed child, and
- the care of a parent with a serious health condition.

An eligible employee is entitled up to 26 workweeks of leave to care for a covered service member with a serious injury or illness during a single twelve (12) month period:

- the single twelve (12) month period begins on the first day the eligible employee takes FMLA to care for covered service member and ends twelve (12) months after that date;
- if an eligible employee does not take all of their 26 workweeks during this twelve (12) month period, the remaining part of the 26 workweeks of leave entitlement to care for the covered service member is forfeited;

- this leave entitlement is applied on a per-injury basis such that an eligible employee may be entitled to take more than one period of 26 workweeks of leave if the leave is to care for different covered service members or to care for the same covered service member with a subsequent serious illness or injury, except that no more than 26 workweeks may be taken within any single twelve (12) month period.

Eligible spouses who both work for the County are also limited to a combined total of 26 workweeks of leave in a single 12-month period to care for a covered service member with a serious injury or illness (commonly referred to as “military caregiver leave”) if each spouse is a parent, spouse, son or daughter, or next of kin of the service member. When spouses take military caregiver leave as well as other FMLA leave in the same leave year, each spouse is subject to the combined limitations for the reasons for leave listed above.

SUBSTITUTION OF PAID LEAVE

DeWitt County requires substitution of paid leave for all FMLA or MFL events. An employee must follow the PTO policy guidelines. The balance of FMLA is unpaid leave. FMLA and MFL run concurrently with all substituted paid leave, including Worker’s Compensation leave & Paid Quarantine Leave.

INSURANCE

While on leave under this policy, the County shall continue to pay the employee’s medical insurance premium at the same rate as if the employee had been actively at work.

The employee shall be required to pay for dependent coverage, and for any other insurance coverage for which the employee would normally pay, or the coverage will be discontinued. Payment for coverage shall be made through regular payroll deduction while the employee is on leave with pay. While on leave without pay, the employee shall be required to pay for premiums by the deadline determined by the Treasurer’s office, or the coverage shall be discontinued.

RETURN FROM FMLA LEAVE

Upon return from FMLA leave, an employee will be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.

NOTICE

If the need to use FMLA leave is foreseeable, the employee must give the County at least 30-days’ prior notice of the need to take leave. If 30-days’ notice is not possible, the employee must give notice as soon as practicable (within one or two business days of learning of the need for leave except in extraordinary circumstances). An employee’s failure to provide adequate notice may be grounds for delaying the start of the FMLA leave.

Whenever possible, requests for FMLA leave should be submitted to the Treasurer’s Office.

When submitting a request for leave, an employee must provide sufficient information to allow the County to determine if the leave qualifies as FMLA leave, including information on the anticipated start date for the leave and the duration of the leave.

The employee may be required to provide information documenting that the employee is unable to perform job functions; that a family member is unable to perform daily activities; that the employee or family member needs hospitalization or continuing treatment by a health care provider; or the circumstances supporting the need for military family leave. An employee also

must inform the County if the requested leave is for a reason for which FMLA leave was previously taken or certified.

CERTIFICATION

Employees will be required to provide a certification and periodic recertification supporting the need for leave. If an employee requests leave under this policy, the County will notify the employee if medical certification is required and when it is due. Failure to timely provide requested medical certification (if required) may result in denial of leave until certification is provided.

When an employee requests leave, DeWitt County will inform the employee whether the reasons for the leave request are eligible under the FMLA or MFL (FMLA form WH-381). If the employee is eligible, the employee will be given a written notice that includes details on any additional information he or she will be required to provide (FMLA form WH-381). If the employee is not eligible, the County will provide the employee with a written notice indicating the reason for ineligibility. If leave will be designated as FMLA or MFL, the County will inform the employee in writing (FMLA form WH-382) and provide information on the amount of leave that will be counted against the employee's 12- or 26-week entitlement. The County will also inform the employee when a fitness for duty letter will be required. When a fitness for duty letter is required, the County will attach a list of the employee's essential job functions to the FMLA form WH-382.

If the employee is requesting leave because of the employee's own or a covered relation's serious health condition, the employee and the treating health care provider *must* provide appropriate medical certification. An employee may inquire about the necessary medical certification forms at the Treasurer's Office.

The County, at its sole expense, may require an examination by a second health care provider designated by the County, if it reasonably questions the medical certification provided by the employee. If the medical certification provided by the health care provider hired by the County conflicts with the medical certification submitted by the employee, the County, at its sole expense, may require a third, mutually agreeable, health care provider to conduct an examination and provide a medical certification, which will be final and binding on both the County and the employee.

The County may require subsequent medical recertification related to an employee's ongoing FMLA leave. An employee's failure to provide requested certification within 15 days after the employee receives the County's request, except in extraordinary circumstances, may result in the delay of further leave until certification is provided.

If an employee takes leave because of the employee's own serious health condition or to care for a covered family member, the employee must contact the County each month regarding the status of the condition and their intention to return to work. In addition, the employee must give notice as soon as practicable (within two business days, if feasible) if the dates of the leave change, are extended, or were unknown initially.

ENFORCEMENT

An employee may file a complaint with the U.S. Department of Labor or may bring a private lawsuit against an employer for unlawful discrimination under the FMLA. The FMLA does not affect any federal or state law prohibiting discrimination or supersede and federal or state law that provides greater family of medical leave rights.

OTHER BENEFITS

While on leave without pay under this policy, an employee shall not earn PTO, be eligible for holidays, or earn other benefits afforded to employees actively at work, including step increases, except for those stated in this policy.

OTHER EMPLOYMENT

Under no circumstances may an employee on FMLA leave, sick, leave, disability leave, or worker's compensation leave engage in outside employment by a third party or self-employment.

OTHER ISSUES

Any area or issue regarding family and medical leave which is not addressed in this policy shall be subject to the basic requirements of the Federal Family and Medical Leave Act (FMLA) and the regulations issued to implement it.

(Amended by Commissioners' Court 02/13/2023)

WORKERS' COMPENSATION

All DeWitt County employees are covered by workers' compensation insurance while on duty for the County. Workers' Compensation insurance pays for medical bills resulting from a covered injury or illness an employee incurs while carrying out the duties of their job. Workers' Compensation also pays for Temporary Income Benefits (TIBS) for time lost from work in excess of seven (7) calendar days as the result of eligible work related injuries or illnesses.

An employee who has an on the job injury must notify the supervisor as soon as possible, but no later than one (1) working day following the injury. A First Report of Injury must be completed by the employee or supervisor and turned in to the Treasurer's office as soon as possible. **If the injury is not reported in a timely manner it could result in the denial of workers' compensation benefits.**

Medical treatment for DeWitt County employees will be provided by Health Care professionals who are contracted with the Political Subdivision Workers' Compensation Alliance. If the employee chooses to receive care from a doctor that is not contracted with the Political Subdivision Workers' Compensation Alliance, the employee may be responsible for all medical costs.

DeWitt County will compensate employees 100% for absences within the first 7 calendar days due to a work related injury, however, if Workers' Compensation denies the claim, then the County will deduct absences covered within the first 7 calendar days from the employee's PTO balance. If no PTO balance exists, the employee may have to reimburse the County.

On the 8th calendar day, employees receive TIBS from Workers' Compensation of approximately 70% of their average weekly wage. No deductions are permitted to be pulled from this amount, including retirement contributions. While an employee is on TIBS, the County will cease all compensation, PTO will not accrue and holiday hours will not be awarded. Law enforcement employees, receive 100% salary continuation while on workers' compensation per Labor Code, Article 3, Section 52 of the Texas Constitution.

If the injured employee is unable to work, has presented a doctor's excuse, and will be off longer than 3 consecutive days, they will be automatically placed on FMLA concurrently with Workers' Compensation. FMLA is 12 weeks and will be calculated on a rolling calendar year. (See County's FMLA policy for further details) While out on workers' compensation and covered by FMLA, the County will continue paying for the employee's health insurance premium, but the employee is responsible for paying for any other deductions, supplemental policies, and any dependent coverage they may have. Once the FMLA period has expired, the employee will be sent a COBRA notice and will be required to pay for their own health insurance premium.

All injured employees receiving salary continuation or workers' compensation income benefits shall be required to personally check in with the designated supervisor and the Treasurer's Office and provide all medical notes and updates received from the doctor.

DeWitt County will make every effort to bring the injured employee back to work as soon as reasonably possible. DeWitt County has a return to work policy in place and, in order to meet any light-duty restrictions determined by the health care provider, it may be necessary to offer an employee an assignment for a short term and temporary basis to meet the restrictions provided by the doctor. If a position is found that will meet all the restrictions, the employee will be given a bona fide offer of employment; if the employee refuses to return to work, workers' compensation benefits may be affected and the employee may be terminated.

(Amended by Commissioners' Court 11/14/2022)

RETURN TO WORK PROGRAM

This policy covers employees who are on leave due to a work related injury or illness. Because employees are our most valuable resource, DeWitt County attempts to help employees return to work as soon as possible.

An employee on leave due to a work related injury or illness can return to work only when DeWitt County receives a medical release from the treating doctor. **The use of form DWC073, provided by the Texas Department of Insurance, from the treating doctor, is preferred.**

It is a violation of County policy for a worker on workers compensation that receives workers compensation benefits of any kind to be employed with a third party on a full-time or part-time basis. Such an action may be grounds for immediate termination.

Return to work options:

- **Full Duty** – employee can return to prior position, with doctor release stating that the injured employee can perform all job functions without restrictions.
- **Light Duty**- employee not able to return to their prior position and perform the regular duties of that job, but can return with certain restrictions. DeWitt County will try to accommodate light duty when possible but **cannot guarantee** the availability of light duty.

Light duty assignments are **temporary** arrangements intended to complement and facilitate the healing process. Light duty may be initially offered, through a written bona fide offer, for a period of 6 weeks and then will be reviewed and evaluated by the supervisor based, in part, on the recommendation of the physician. If an employee has remaining FMLA time, and the County has accommodated the employee as stated above, the employee may be removed from duty until a full duty release is received, or until FMLA has been exhausted.

In the event that an employee refuses to return to regular or light duty work in response to a written, bona fide offer of employment by DeWitt County, the employee may be separated from employment with DeWitt County subject to FMLA qualification, and their position may be filled permanently.

A written, bona fide offer of employment must clearly state:

- The position offered and the duties of the position
- DeWitt County’s agreement to meet the conditions set out by the treating doctor
- The job’s wage, working hours and location.

Medical Information

All employees’ medical information is held in strict confidence in accordance with the Americans with Disabilities Act Amendments Act (ADAAA). Medical inquiries are limited to those permitted under Texas Workers’ Compensation Statute and applicable federal law.

Coordination with FMLA

Nothing in this policy should be construed as denying employees their rights under the Family Medical Leave Act (FMLA) or any other federal or state law.

It is DeWitt County’s policy to designate an employee’s leave due to a work related injury or illness as FMLA, if eligible. DeWitt County counts the period of any employee’s light duty assignment toward the employee’s FMLA entitlement.

Until employees have exhausted their 12 week FMLA entitlement, they have the right to be reinstated to their original job or an equivalent job provided they are able to perform the essential functions of the job.

SECTION D: WORK RULES AND EMPLOYEE RESPONSIBILITIES

(Amended by Commissioners' Court 04/11/2022)

CONFLICT OF INTEREST

Employees of DeWitt County shall not engage in any employment, relationship, or activity which could be viewed as a conflict of interest. Employees involved in conflict of interest situations shall be subject to discipline, up to and including termination of employment, and these actions may have criminal consequences for employees.

Activities which constitute a conflict of interest shall include but are not limited to:

- Soliciting, accepting, or agreeing to accept a financial benefit, gift or favor that might influence the employee's performance of duties for the County or that the employee knows or should know is offered with the intent to influence the employee's performance, Unless the gift is from the County;
- Accepting employment, compensation, gifts, or favors that might reasonably tend to induce the employee to disclose confidential information acquired in the performance of official duties;
- Accepting outside employment, compensation, gifts, or favors that might reasonably tend to impair independence of judgment in performance of duties for the County;
- Making any personal investment that might reasonably be expected to create a substantial conflict between the employee's private interest and their duties for the County; or
- Soliciting, accepting, or agreeing to accept any benefit from a person the employee knows to be subject to regulation, inspection, or investigation by the employee or the County.
- Soliciting, accepting, or agreeing to accept any benefit from a person the employee knows is interested in or likely to become interested in any contract, purchase, payment, claim, or transaction involving the exercise of the employee's discretion.

GRIEVANCES

Any employee having a grievance related to their job should prepare a written statement giving the details of the grievance and stating the specific remedial action requested, and then discuss the grievance with their immediate, approved, decision-making, supervisor or department head within five business days of the action causing the grievance. If the grievance is not filed with the employee's supervisor within the five business days specified, the employees waives their rights to the process.

If the discussion with the supervisor or department head does not resolve the grievance, and, if the supervisor or the department head is not the elected/appointed official with final responsibility for the employee's department, the employee shall have the right to discuss the grievance with that official within five business days from the discussion with the supervisor.

The elected/appointed official or department head should notify and forward a copy of the grievance to the treasurer's office, as soon as possible, when a grievance is filed.

The decision of the elected/appointed official or department head with final responsibility for the employee's department shall be final in all grievances.

No adverse action or retaliation shall be taken against any employee for exercising their right to file a grievance.

WHISTLEBLOWER ACT

An employee may, in good faith, report an alleged violation of a DeWitt County Policy or federal or state law to their supervisor, elected/appointed official or department head, unless all of these

persons are the alleged perpetrators of the alleged violation of policy or law. If all of the listed persons are alleged to be involved in the violation, the employee may report the allegation to the Treasurer's Office and the County Attorney. The County will investigate the reported activity.

An official, supervisor, department head, or any other employee is prohibited from taking adverse employment action against an employee who, in good faith, reports an alleged violation of County policy or federal or state law to a designated person, pursuant to this policy. An employee who intentionally makes a false report of wrongdoing may be subject to discipline up to and including termination.

An employee who, in good faith, believes he or she is being subjected to retaliation based on a report of alleged wrongdoing under this policy should immediately contact the Treasurer's Office and the County Attorney.

An employee with a question regarding this policy should contact the Treasurer's Office.

CONFIDENTIALITY

DeWitt County is a public entity, however, some County employees acquire confidential (proprietary, non-public) information as a result of their position with the County. This information must be protected. Employees who reveal confidential (proprietary, non-public) information they have received as a result of their position may be subject to discipline up to and including termination.

Regarding the personnel information on employees of DeWitt County, much of the information in an employee's personnel file, including salary and job evaluations is subject to disclosure under the Public Information Act. However, highly intimate and personal matters are typically not subject to disclosure. The County will adhere to the Public Information Act requirements. No County employee is authorized to disclose personnel information of another employee unless in response to a request for public information that has been processed by the County.

BREAKS

The Patient Protection and Affordable Care Act amended the Fair Labor Standards Act to require reasonable breaks for nursing mothers to express breast milk. The Texas Right to Express Breast Milk in the Workplace Act also imposes duties on public employers and, under other state law, is applicable for the duration of a nursing mother's need to express breast milk. DeWitt County supports the practice of expressing breast milk.

DeWitt County will provide reasonable accommodations by allowing a nursing mother paid breaks to express breast milk. The nursing mother will be allowed whatever time is needed to express breast milk and will not be discriminated against. DeWitt County does not allow any retaliation against a nursing mother for asking for this break. The County will provide the nursing mother with a private location, other than a bathroom. The location will be shielded from view, free from

intrusion and appropriate for expressing breast milk. The specific location will be determined on a case by case basis.

All other employee breaks are determined by each department head and are not required to be given. If an employee is provided with a break, it may not be accumulated or used for time off. The Fair Labor Standards Act does not require any breaks other than for a nursing mother; however, if paid breaks are provided for employees, a nursing mother must be given the same amount of paid break time.

CRIMINAL ACTIVITY

County employees are public servants and, as such, will be held to a higher standard of ethics. This policy applies to all employees of DeWitt County regardless of rank or position and shall include full-time, part-time and temporary employees.

Any DeWitt County employee who is arrested or convicted for a misdemeanor or felony must notify their elected/appointed official or department head of such arrest (including pleas of guilty and nolo contendere) no later than 3 calendar days after the arrest or conviction.

The arrest or conviction of a DeWitt County employee, whether on or off County time, may result in corrective action. Corrective action depends upon a review of all factors involved including whether or not the employee's action was work-related, the nature and severity of the act or any resultant circumstances that adversely affect the employee's attendance.

Corrective action, such as Investigative Leave, up to and including termination may be taken if the conduct for which the employee was arrested or convicted:

- is relevant and makes the individual unfit for the position; or
- may impact the health or safety of the public or other County employees.

An employee's failure to report an arrest or conviction (for a misdemeanor or felony) within the specified time period may result in immediate termination.

MOTOR VEHICLE RECORD (MVR) PROGRAM

PURPOSE

The purpose of this program is to help control vehicle accident exposure by drivers that have an excessive number of moving violations and/or accidents on their driving record. Drivers in this category are considered to be higher risk and possibly cause unnecessary liability exposure to DeWitt County.

APPLICATION

This Motor Vehicle Record (MVR) program applies only to employees who obtain a Commercial Driver's License (CDL), and are in a position to drive a County commercial motor vehicle.

CONSENT

A general consent for MVR and driving eligibility/status must be obtained from the state for each employed driver, or any employee, prior to operating a County owned vehicle. The employees' consent will remain in effect for the entirety of their employ.

RULES AND PROCEDURES

Employment/continued employment of all prospective employees whose job will involve driving a County vehicle will be contingent on the evaluation of the MVR. The MVR will be obtained from the state for evaluation prior to making an offer of employment.

The MVR will be obtained from the state on an annual basis and from time to time at the official's discretion and re-evaluated according to these standards.

If an employee is in a position that does not normally involve driving a County vehicle, an MVR will be obtained prior to an employee driving a County owned vehicle and will be valid for up to one year.

The MVR evaluation will be based on the following criteria:

- The maximum number of moving violations and/or accidents allowed in a three (3) year period will be three (3).

Examples:

- a) 3 speeding
- b) 1 speeding, 2 accidents
- c) 1 accident, 1 ran red light, 1 speeding

- However, no more than two (2) "at fault" accidents will be allowed within a three (3) year period. If the MVR does not indicate whether the employee was "at fault", burden of proof is upon applicant or employee to show proof.
- No major moving violations will be allowed. Any one major moving violations may result in removal from driving positions and make applicants ineligible for a driving position.

Examples:

- a) Driving While Intoxicated
- b) Hit and Run
- c) Any felony or manslaughter involving the use of a motor vehicle.

Because a combination of three (3) moving violations and/or accidents in a three (3) year period is the maximum allowed by the County, any driver who reached this point will be issued a written warning and placed on probation. Any further moving violations or accidents may result in removal of driving privileges. Non-preventable accidents do not count. National Safety Council Rule on determining preventable accidents will apply.

If a driver is removed from driving because of a failure to meet these County standards, the driver's employment may be terminated.

A driver on probation will remain on probation until the MVR is within County standards. This will occur when any violations drop off the MVR at the end of the year. A driver on probation will have the MVR checked every six months.

Any driver currently employed who has already exceeded these standards will be placed on probation immediately. The rules and procedures regarding the period of probation and removal of driving privileges will apply as outlined above if another moving violation or preventable accident occurs. However, probation is unacceptable in cases of gross or major violations.

USE OF COUNTY PROPERTY

Employees are provided by the County with the facilities, furniture, equipment and, in some instances, motor vehicles necessary for the proper conduct of county jobs. Employees are responsible for the items provided to them by the County. If any item issued to the employee is in need of maintenance or repair, the employee should notify his or her immediate supervisor. Improper, careless, negligent, destructive, or unsafe use of county-owned property, equipment, or motor vehicles will result in discipline up to and including termination of employment. Personal use of county-owned property, equipment, or motor vehicles is prohibited.

DeWitt County will adhere to IRS regulations regarding employer-provided vehicles. County vehicles are not to be used for personal use or gain. Personal use includes the transportation of family members, friends or any other person not involved in a county function.

The utmost care should be exercised in using DeWitt County property to minimize damage to equipment or waste of supplies. Intentional or negligent damage to county-owned equipment may be grounds for disciplinary action or dismissal, depending on the severity of the incident.

INSURABILITY

All drivers must:

- Maintain a clean driving record;
- Be insurable at any time they are performing driving duties;
- Have a valid driver's license at any time they are performing driving duties;

Any driver that has a suspended or revoked driver's license may be taken off driving duties. If the driver becomes uninsurable, as determined by the MVR check, the driver agrees to be reassigned to other duties, or may be terminated from employment.

If the driver is reassigned due to insurability, lack of a clean driving record, or lack of a valid driver's license, they agree to accept whatever alternative assignments the company may give them. There may be a reduction in pay resulting from the reassignment.

Any employees performing driving duties will agree to report any accidents in which they are involved as a driver or any violations of any motor vehicle laws for which they are cited by a law enforcement authority. Such reports to the County shall be made immediately or as soon as possible following the event. Failure to promptly report accidents or motor vehicle law violations will result in disciplinary action, up to and including termination.

Any driver involved in an accident or cited by a law enforcement official for violating a motor vehicle law must turn over any documentation relating to such incident as soon as possible to the employer, and must cooperate with the employer in verifying the information with other parties involved and with law enforcement authorities.

LICENSES AND CERTIFICATIONS

DeWitt County has many positions that require licenses and certifications. It is the responsibility of each employee to maintain all required licenses and certifications. If an employee is unable to renew or loses a license or certification, they must immediately notify their supervisor. If this license is a requirement for the position, the employee may be demoted, transferred or terminated.

Under no circumstances will the employee be allowed to continue in the position where a license or certification is required if failure to have such license or certification is illegal under either Federal or State Law.

TOBACCO FREE WORKPLACE

DeWitt County endeavors to provide a healthy environment. Therefore, any form of tobacco consumed in County buildings is strictly prohibited. E-cigarettes and/or vaping should not be used where tobacco smoking is not allowed.

DRUG AND ALCOHOL - ALL EMPLOYEES

Under the Influence shall be defined as having a blood alcohol concentration of 0.000 or more or failing a drug test.

DeWitt County is a drug and alcohol free workplace. A County employee may not be present at work during a period the employee's ability to perform their duties is impaired by drugs or alcohol. The County believes that a drug and alcohol-free workplace will help ensure a healthy, safe, and secure work environment.

This policy applies to all employees of DeWitt County regardless of rank or position and shall include full-time, part-time and temporary employees.

The only exception to this policy is the possession of controlled substances by law enforcement personnel as part of their law enforcement duties.

An employee may not unlawfully manufacture, distribute, dispense, possess, sell, purchase, or use a controlled substance or drug paraphernalia on County property or while conducting County business not on County property.

An employee may not be under the influence of alcohol or illegal drugs while on County property or while on duty for the County.

An employee may not possess or use unauthorized prescription or over-the-counter drugs while on County property or while on duty for the County. An employee may not use prescription or over-the-counter drugs while on County property or while on duty for the County in a manner other than that intended by the manufacturer or prescribed by a physician.

An employee may use prescription and over-the-counter drugs in standard dosage or according to a physician's prescription if the use will not impair the employee's ability to do their job safely and effectively. An employee must keep prescription medications used at work in their original container.

An employee taking prescribed or over-the-counter medications is responsible for consulting the prescribing physician or a pharmacist to determine if the medication could interfere with the safe and effective performance of their job duties.

If the use of a medication could compromise an employee's ability to do their job or the safety of the employee, fellow employees or the public, the employee must report the condition to their supervisor at the start of the workday or used appropriate personnel procedures. (e.g., call in sick, use leave, request change of duty)

A supervisor must treat any information related to an employee's authorized use of prescription medications and any other medical information provided by the employee as confidential information.

An employee having problems with drugs or alcohol is encouraged to seek treatment from a qualified professional. Information on benefits provided for treatment of alcohol and drug abuse problems provided by the County's health plan program is available in the Treasurer's Office.

Any employee who violates this policy and/or is under the influence, as described above, shall be subject to disciplinary measures up to and including termination.

Any employee who admits to drug use may be terminated. An employee who voluntarily asks for time off to get treatment and recover from a drug or alcohol abuse problem will be given protections as required by law. Upon returning to work from a bona fide inpatient treatment facility, the employee will be subjected to a volunteer drug testing program as often as monthly until there is evidence the employee no longer uses. Failure to comply with the requirements of the post rehabilitative program including refusing the volunteer testing program will result in termination. The post rehabilitative program will last for as long as two years. Unless required by

law, post rehabilitative testing will be at the employee's expense. If at any time the employee tests positive, or refuses the volunteer drug test during this post rehabilitative program the employee will be terminated.

DeWitt County will drug test employees who are not CDL license holders under the following conditions:

Pre-employment drug testing-

DeWitt County has pre-employment drug testing for departments that are required by law, which must be passed, before an employee starts their first day of work. All offers of employment are conditional upon passing a drug and alcohol test.

Suspicion-Based Testing-

Reasonable Suspicion– If an employee is having work performance problems or displaying behavior that may be alcohol or drug related, or is otherwise demonstrating conduct that may be in violation of this drug and alcohol policy, where immediate action is necessary, the elected/appointed official or department head will require that employee to do a drug and alcohol test.

Elected/appointed official or department head must take action if they have reason to believe that the substance abuse is affecting their employee's job performance or behavior. The following steps will be taken:

1. Confront the employee involved and keep them under direct observation until the situation is resolved. Inform the employee of the problem with their job performance and specific violations of the County Policy.
2. If the supervisor believes, after observing or talking to the employee, that the conduct or performance problem could be due to substance abuse, the employee will be immediately required to submit to a drug and alcohol test. If the employee refuses to submit to testing for any reason, the employee may be terminated.
3. Employees will be asked to release any evidence, such as alcohol or drug paraphernalia, relating to the observation for further testing. Failure to comply may subject the employee to subsequent discipline, up to and including termination. All confiscated evidence will be receipted for with signatures of either the elected/appointed official or department head as well as the employee.
4. Elected/appointed official or department head will **remove** the employee from the County work station and ensure that the employee is transported to an appropriate collection site and thereafter to the employee's residence. Under no circumstances will the employee be allowed to drive a vehicle until a confirmed negative test result is received.
5. The elected/appointed official or department head shall, within 24 hours or before the results of the controlled substance test are released, document the particular facts related to the behavior or performance problems and present such documentation to the Treasurer's Office for filing.

Post-Accident Testing – shall be conducted as follows:

(All employees directly involved in an on-the-job accident or incident resulting in property damage and/or medical treatment, that does not match a situation in the table below, may be tested for drugs and alcohol under the suspicion-based testing procedure above, if applicable.)

TYPE OF ACCIDENT	CITATION ISSUED TO DRIVER	TEST MUST BE PERFORMED
HUMAN FATALITY	YES	YES
	NO	YES
BODILY INJURY WITH IMMEDIATE MEDICAL TREATMENT AWAY FROM THE SCENE	YES	YES
	NO	NO
DISABLING DAMAGE TO ANY MOTOR VEHICLE REQUIRING TOW AWAY	YES	YES
	NO	NO

Testing Procedures –

1. The employee will be escorted and driven to the designated facility for specimen collection and testing.
2. The employee will be required to follow the drug and alcohol testing protocol of the medical facility providing the testing.
3. If the employee desires another test to be given, they may do so within 2 hours of the specimen being collected and that specimen will be used. The cost of this request will be paid for by the employee. All initial costs will be paid for by DeWitt County.

4. The employee may be placed on investigative paid leave until the results of the test are known. The elected/appointed official or department head will make arrangements to ensure that the employee is safely returned to their residence.
5. Under no circumstances, unless required or authorized by law, will alcohol or drug testing information be released without written consent from the employee.

Each employee is expected to cooperate and consent to a drug test when requested under the terms of this policy. Refusal to consent to a drug and alcohol test when requested is cause for termination.

Any employee who violates this drug and alcohol policy may be terminated.

DRUG AND ALCOHOL - CDL EMPLOYEES

Commercial Driver's Licenses (CDL) are an extremely valuable resource for DeWitt County's business. Their health and safety is a serious County concern. Drug or alcohol use may pose a serious threat to driver health and safety. It is, therefore, the policy of the County to prohibit CDL employees from being under the influence of or using illegal drugs or alcohol during working hours.

The Federal Motor Carrier Safety Administration ("FMCSA") has issued regulations, which require the County to implement a controlled substance and alcohol testing program. The County will comply with these regulations. All CDL drivers are advised, that remaining drug-free and medically qualified to drive, are conditions of continued employment with the County.

Specifically, it is the policy of DeWitt County that the use, sale, purchase, transfer, possession or presence in one's system of any controlled substance (except medically prescribed drugs) or alcohol by any CDL driver while on County premises, engaged in County business, while operating County equipment, or while under the authority of the County is strictly prohibited. Mandatory testing must apply to every person who operates a commercial motor vehicle in interstate or intrastate commerce and is subject to the CDL licensing requirements. DeWitt County will conduct pre-employment, random, reasonable suspicion and post-accident drug testing in accordance with federal law.

A complete policy relating to drug and alcohol testing for CDL employees, "DeWitt County CDL Drug and Alcohol Testing Policy and Procedures", may be requested from the County Treasurer's Office.

OUTSIDE EMPLOYMENT

DeWitt County employees are expected to give their full and undivided attention to their job duties. They should not use DeWitt County facilities or equipment or their association with DeWitt County to carry on a private business or profession. Unless express approval is obtained in advance and in writing from their immediate supervisor, County employees should not engage in profit-making business nor become involved with a non-profit organization outside of their

employment with DeWitt County that interferes with the employee's assigned duties with DeWitt County or creates a conflict of interest.

WEATHER CLOSINGS AND EMERGENCIES

As a general practice, DeWitt County does not close unless the health, safety, and security of County employees are seriously brought into question. When this does happen, either because of severe weather conditions or other emergencies, the County Judge is responsible for initiating the closing.

In the event of an emergency closing or delay of the County, employees should check with their elected/appointed official or department head to receive guidance on any closings or delays. Information about closings will also be posted on www.co.dewitt.tx.us.

For information regarding compensation please see Emergency Pay.

EMPLOYEE SAFETY

The County Judge and County Commissioners' are concerned with the safety of employees and the public. Injuries cause suffering and financial loss to employees, their families, the public, and cause a drain on the County tax dollars which are needed to provide essential services.

The Commissioners' Court will make every effort to reduce the frequency of on the job injuries. As a minimum, the Commissioners' Court supports compliance with all safety ordinances, regulations and laws. Improvement is always possible and additional recommendations are welcomed and encouraged.

It is the intent of this County for its employees to perform the work assigned in a safe manner; therefore, each employee has a responsibility to the County. These responsibilities include but are not limited to:

- advising the supervisor when the employee does not know how to perform the work assigned;
- never to endangering other employees;

FRAUD

PURPOSE

The DeWitt County Fraud Policy and Response Program ("Policy") has been created to support DeWitt County's commitment to protecting County revenue, property, reputation and other assets; to emphasize clearly the need for accurate financial reporting; and to define guidelines for the investigation and handling of fraud, should it occur.

APPLICABILITY

The DeWitt County Fraud Policy applies to all elected officials, appointed officials and employees of DeWitt County and includes all full-time, part-time, seasonal, volunteer, and other temporary employees.

DEFINITION OF FRAUD

In law, "fraud" generally involves an act of deception, bribery, forgery, extortion, theft, misappropriation, false representation, conspiracy, corruption, collusion, embezzlement, or concealment of material facts. Fraud may be committed by an individual, a group of individuals, or by one or more organizations. Fraud is a violation of trust that, in general, refers to an intentional act committed to secure personal or business advantage. While fraud can cover many activities, this Policy is directed primarily at financial matters that could be legally defined as fraud. Examples of "financial fraud" generally fall into two broad categories and may include, but are not limited to:

1. Misappropriation of Assets

- Forgery, alteration or misappropriation of checks, drafts, or securities
- Unauthorized, non-business acquisition, use, or disposition of funds
- Confiscation or unlawful alteration of County inventory, furniture, fixtures, equipment, records, or other assets
- Cashing personal checks or receiving cash advances from available cash drawer in County offices (Section 130.902 (c) of the Texas Local Government Code)

- Misappropriation of County-owned computer hardware, software, data, or other records including County intangibles (e.g. proprietary information, trade secrets, patents, etc.)

2. Expenditures and Liabilities for Improper Purposes

- Bribery
- Kickbacks

GENERAL POLICY AND RESPONSIBILITIES

The County will investigate any suspected acts of fraud, misappropriation or other similar irregularity. An objective and impartial investigation, as deemed necessary will be conducted regardless of the position, title, office, or length of service or relationship with the County of any party who might be or becomes involved in or becomes/is the subject of such investigation.

Each Elected Official/Department Head/Supervisor is responsible for instituting and maintaining a system of internal control to provide reasonable assurance for the prevention and detection of fraud, misappropriations and other irregularities. Management should be familiar with the types of improprieties that might occur within their area of responsibility and be alert for any indications of such conduct.

The County Auditor, with consultation and support from the appropriate supervisor, has the primary responsibility for overseeing the investigation of all fraudulent activity as defined in this policy. The Auditor will immediately notify the Commissioners Court of any significant fraud investigation. Also, the Auditor, will involve Legal Counsel and/or management, as deemed appropriate. Upon conclusion of the investigation, the results will be reported to the appropriate management representatives.

Where there are reasonable grounds to indicate that a fraud may have occurred, the County may report the incident to the appropriate authorities in order to pursue all legal remedies. Also, the County will pursue every reasonable effort, including court ordered restitution, to obtain recovery of the losses from the offender.

PROCEDURES FOR REPORTING

All Employees - Any employee who has knowledge of an occurrence of fraudulent conduct, or has reason to suspect that a fraud has occurred, shall immediately notify their supervisor. If the employee has reason to believe that the employee's supervisor may be involved, the employee shall immediately notify the County Auditor or an appropriate elected official.

Elected or Appointed Officials & Department Heads - Upon notification from an employee of suspected fraud, or if the Department Head has reason to suspect that a fraud has occurred,

the Department Head shall immediately notify the County Auditor or an appropriate elected official.

Investigation

Upon notification or discovery of a suspected fraud, the Auditor will promptly investigate the fraud. The Auditor will make every effort to keep the investigation confidential; however, from time to time other members of the management team will need to be consulted in conjunction with the investigation. After an initial review and a determination that the suspected fraud warrants additional investigation, the Auditor will notify the Commissioners' Court and the appropriate Elected Official, Department Head or management as required to deal with the findings. When deemed necessary, the Auditor shall coordinate the investigation with the appropriate law enforcement officials. Internal or external counsel will be involved in the process, as deemed appropriate.

It should be noted that there may be certain instances of fraud that will be handled in the normal course of business that will not result in a separate "investigation" by the Auditor's Office. An example of this would be an employee taking home office supplies or other minor items purchased with County funds.

Security of Evidence

Once a suspected fraud is reported, immediate action to prevent the theft, alteration, or destruction of relevant records needs to occur. Such actions include, but are not necessarily limited to, removing the records and placing them in a secure location, limiting access to the location where the records currently exist, and preventing the individual suspected of committing the fraud from having access to the records. The records must be adequately secured until the Auditor obtains the records to begin the audit investigation.

Confidentiality

All participants in a fraud investigation shall keep the details and results of the investigation confidential. However, as noted above, from time to time other members of the department will need to be consulted in conjunction with the investigation.

Personnel Actions

If a suspicion of fraud is substantiated by the investigation, disciplinary action, up to and including dismissal, shall be taken by the appropriate level of management, in consultation with the Commissioners' Court and legal counsel.
