 - Road Name of the exact crossing location;
 - Diameter of pipeline;
 - Degree of perpendicular (80 to 100 degrees) to the roadway;

After your information and fee calculations have been checked, you will receive a call or email advising you of the results of the review. If all is in order, the date your Permit(s) will be taken before the DeWitt County Commissioners Court will be confirmed with you.
 - PAYMENT:** Fees may be in the form of cash, money order or company check. No personal checks will be accepted.
PLEASE MAKE CHECKS PAYABLE TO: DeWITT COUNTY.

If your pipeline length is in any measurement (even 1 inch) over 50 feet, an additional \$12 is charged for each foot or **portion** of a foot. EXAMPLE: width of crossing = 53 feet and 5 inches [50 feet = \$500 + 4 additional feet @ \$12.00 per foot = \$48. \$500 + \$48 = \$548.00].
